Warrior: The true story of the real war horse (HarperTrue Friend - A Short Read) Isabel George

An inspiring and heart-warming short story of devotion and bravery.

A thoroughbred horse, Warrior, is passed through various owners before he is shipped to the thick of the action on the Western Front to serve as his current master's mount for all four years of the First World War.

Warrior and General 'Galloping Jack Seeley' were involved from the first engagements through to one of the last, the Battle of Moreuil Wood. Together they fought in terrifying battles and witnessed the death of many horses and masters who served alongside them, terrible deaths, but through it all Warrior seemed to pass like a spirit.

This is the tale of his heroic wartime exploits and eventual return to the green fields of England. An evocative and powerful story of a real and great war horse.

Warrior's story was the basis for the fictional Joey in Michael Morpurgo's War Horse.

From Reader Review **Warrior: The true story of the real war horse (HarperTrue Friend - A Short Read) for online ebook**

Sheryn says

This is a short story, but very detailed. I could picture the locations vividly, and the horror, while at the same time being in awe of the courage shown by a remarkable horse.

nigel molesworth says

What an amazing read 5+ stars

A loyal friend in time of need in times of war and and at home man and horse together as one

Julie Miller says

Fantastic!!

What a lovely fantastic book to read!! Shame it was only a short read, I could have read on further!!!
