**Having It All** Kati Wilde

**HAVING IT ALL is a complete novella at 22,000 words. No cliffhangers—only hot and sexy romance. The Motorcycle Clubs series is romance for readers who want all of the heat and emotion, but who don't have all of the time.**

**Now that Jenny Erickson is mine, I've got everything I want. Until one shotgun blast almost rips it away...**

As president of the Hellfire Riders, there's two things I care about: protecting my woman and destroying the Eighty-Eight before they take everything I've fought for. They've hurt Jenny before and I swore that I'd rip out my own heart before they hurt her again. Every heated touch, every scorching kiss is a promise to keep her safe.

Now the Eighty-Eight is coming for me—and no matter what it takes, I'm not going to let them lay a finger on her. I'll sacrifice anything to protect her. My freedom. My heart.

Even my life.

#### 4 "I think it is." Stars

Volumes 1-3 of the Hellfire Riders MC features club Prez Saxon "The Wolf" Gray and Jenny Erickson's story. *Having It All* is the conclusion of this novella trilogy and it ends with quite a bang. I really like reading about these two. This is erotic MC romance. Lots of sex and dirty talk which was hot. For being novella's there's also a lot of plot packed into each one.

In, *Having It All* a turn of events pushed the revenge plots of Hellfire Riders into quick mode and I really liked the MC action. But I just enjoy reading the fiery romance between Saxon and Jenny, they made it sexy, fun, and hot. A steamy novella set to easily get lost in for an afternoon.

OMG... I was bored out of my mind for over half of this book... I think their Main Characters story line dragged too much.

For a short trilogy, meaning the word count for all three books was only 77,000 words, it really packed quite a punch. I can actually see myself coming back and rereading all three again. The author had a solid plot throughout all three, really hot sex scenes, some of the hottest I've read all year, a great love story, a bad ass motorcycle club, some awesome killing of badguys and a HEA. Not really sure you can ask for more. From start to finish, Kati Wilde caught my attention and held it to the very end of book 3. My only complaint...I'd LOVE more. Since there's going to be a book about another MC rider in the crew, I'll get my wish. Heat level on book 3 wasn't as hot so maybe an 8 out 10 which is still pretty damned scorching! An awesome new indie author I'll definitely keep in my list of faves!

**Great conclusion!!!**

I love how the story finishes. Jenny's issues finally get resolved and Saxon gets piece of mind. They finally get their HEA and not just a HFN.

On to Jack and Lilly's story!!!

Having It All is the continuation and conclusion of Saxon/Jenny's story. That's not to say books one and two were cliff hangers, they were not. All three of these books have been stand alones with no cliff hanger ending. One story just picks up and continues where the last one ended. This author again was able to provide a quality romance that elicited emotions from me and had me cheering both Saxon and Jenny on. Saxon's love for Jenny is unquestionable and oh Lord the sex scenes are hot enough to burn you. I remain amazed at this author being able to weave such a good story that you can comfortably read in one sitting and may likely read the book again later. Highly recommend this one for the ones that like hot alpha males, hot

sex, true love and a heroine that is really smart and not TSTL.

I just finished Having It All and I loved it. This is final story for Sax and Jenny. This follows right after the second story but they have finally proven that they belong together but it will be a rough transition for the Riders and the Titans. The Eighty Eights still want revenge but the only way for them to get her is to get Sax. Jenny doesn't want him hurt but what is she going to do? Just read and see.

I'm really digging this series. I love the characters and am just already wanting more. All the characters are so versatile and their voices just get to me. What ever you are doing Kati keep on doing it!!

Saxon and Jenny.

This is the conclusion of Saxon and Jenny's trilogy but the Hellfire Riders are back next year with Lily's story 'Betting It All' and after reading this book we don't have to try very hard to guess who the 'guy' will be. Anyway back to 'Having' the merging of the Hellfire and the Titans has gone smoothly but the threat of the Eighty-Eight is still hanging over not just Jenny but the MC everyone agrees they need to be taken out but it needs to be done right after all Jenny's just got Saxon after all these years she doesn't want to lose him again. I've loved this trilogy, it's been different for an MC book and I've come to love the individual characters and not just Saxon and Jenny although Jenny is a great female character, strong and intelligent and Saxon is just...wow..that's it I think wow covers it all.

I'm so glad I stumbled across 'Wanting' and gave it a go now I'm waiting for 'Betting'

Without the stupid First Lady clause I find myself back on board. Saxon, Jenny and the Hellfire Riders need to sort out the asshole Eighty-Eight. Bad boys v's Neo Nazis.

There are no punches but shit gets blown up. Twas excellent!!

Jack and Lily next. I'm super excited!

I don't believe in taking the law into your own hands.... but some vermin need to be exterminated....and that's all I have to say about that!

I love Jenny and Jaxon!
