Rurouni Kenshin, Volume 21 Nobuhiro Watsuki

Though he once killed in the name of the nascent Meiji government, even an infamous manslayer such as "Hitokiri Battôsei" might grow weary and vow never to kill again. As a new age dawns, there are those who yet cling to the ways of bloodshed, and see the days of peace and prosperity Kenshin and others like him fought so hard to bring forth as betrayal. In ten days' time, the enemies of Kenshin will come for him, and all who stand beside him are in danger. Is the time of earthly justice truly at hand?

Fugo Feedback says

Después tengo que subir la edición argentina y ver si puedo subir las ediciones española, francesa y alemana (creo) que el imbécil del Deleted Member eliminó porque sí.

Karl Marberger says

Amazing as ever. Great plot and character development and well drawn art to bring to story to live. The drama and action of the series flies right off of the pages and into your face. Great reading!

Nathan says

Third volume of the 3 in my collection from Japantown visit in SF. This one was quick and a piece to set the stage for the big battle scenes between the Jinchu squad and the Kamiya dojo group. I thought it was a little sloppy / hasty how Aoshi, Misao, and Saito got engaged in the mix but I'm happy to see the familiar faces come back in. Classic random improvements to the bad guys weapons.

But the real magic is in the brief few pages where Kenshin and Kaoru share some moments of reflecting on the future and a future together (which Kaoru classically tries to hide as her desire).

Jeffrey says

While it has its moments, it's clear that Wasuki has failed to raise his game since the Kyoto arc. It's not that's bad, it's just pretty much the same-old, same-old for the past few volumes.

Aghnia Salsabila says

I'm not that type of person who easily get touched by women tears, but this is definitely my favorite one. This volume is a perfect depiction of love-story (according to my personal preference). It's tells you about Tomoe, a girl that in the first intended to kill Kenshin because he was the battosai who killed her fiancée, but she was going to see more of Kenshin's innocent, ignorant side and eventually, they are getting married and started to life happily as a villager. She is an introverted person, Kenshin too but i love how Sensei draw out serenity atmosphere and explain the complexity of how Tomoe's mind working, and yap, i cried when i have to see that Kenshin fall so deeply for Tomoe. I do like Kaoru, but in this era of chaos, Tomoe can help Kenshin from depressing feeling a result from war. To be honest, comparing with OVA, i do love the manga one. You can spot so many holes and i'd like to say that OVA lost many feel and important key in this arc.

Sara says

This volume is filled with battles. We read about the death of Tomoe, how it changed Kenshin and Enishi. And then our group prepares for the battle with Enishi, which is coming in a few days. There are some really sweet moments in this volume because we see our characters beginning to say goodbye. I will be sad when all of these story lines wrap up and we leave this world.

Robin says

This story literally has everything I love in a manga. A fantastic main character with a wonderful backstory, an awesome leading lady who isn't just there for boob-service and actually has a great, well-rounded character, wonderful and memorable supporting characters whether they be friends or foes, stories that get rounded-out and resolved and don't just focus on getting the BRAND NEW FIGHTING TECHNIQUE!!!, a storyline that doesn't stray into sentimental or cliché and yet still tugs at your heartstrings and makes you cry and believe, and, most of all, a satisfying ending where things are resolved without it all being tied up into a neat little bow.

I adore this story. I adore it with every fiber of my being. It's a must-read for any shounen fan, for any history fan, and, hell, I'd say for any manga fan.

Scott Lee says

Continues high-level character work on Kenshin and especially Kaoru until the last chapter when this arc's battle is finally joined.

Lynn says

Today's post is on Rurouni Kenshin volume 21 by Nobuhiro Watsuki. It is 192 pages long and is published by Shonen Jump. The cover has Kenshin in the foreground and Tomoe in the background looking at the reader. It is the twenty-first volume in the long running series. You have to have read the first twenty in the series to understand the story. The intended reader is someone who likes historical stories, manga, and interesting characters. There is no foul language, no sex, but some violence in this series. The story is told from third person close following different characters. There Be Spoilers Ahead.

From the back of the book- Though he once killed in the name of the nascent Meiji government, even an infamous manslayer such as "Hitokiri Battôtsai" might grow weary and vow never to kill again. As a new age dawns, there are those who yet cling to the ways of bloodshed, and see the days of peace and prosperity Kenshin and others like him fought so hard to bring forth as betrayal. In ten days' time, the enemies of Kenshin will come for him, and all who stand beside him are in danger. Is the time of earthly justice truly at hand?

Review- We get the last bit of Kenshin tragic past in this volume and it ends with Tomoe's death. Everyone

is trying to decide what they think about it. Kaoru handles it very well and leads the rest to peace with Kenshin's past too. Kenshin is surprised when Kaoru sort of admits how she feels about him. That made me roll my eyes a little but whatever his character is a more than a little clueless about so much so why not this too. Kaoru also has a great idea about how to end Enishi and so bringing Misoa and Aoshi into the last arc. But they are going to be late to stop the attack. The volume ends with the attack on the dojo starting. We get a hint about what Enishi is really going to do and I cannot wait to see what it is. More Action, More Drama, and More Over-the-Top Fighting Coming Soon!

I give this volume a Five out of Five stars. I get nothing for my review and I bought this manga with my own money.

Lauren says

Rurouni Kenshin is one of my favorite animes and manga. Quite enjoyable.

Iman Danial Hakim says

Saya sedang dalam marathon menghabiskan siri manga Samurai ini. Dulu pernah disiarkan di tv3 (ke NTV7) sewaktu saya kecil.

Mujurlah bang Perewa membenarkan komik sebagai salah satu bacaan untuk Cabaran Bacaan 32 Buku. Banyak juga, ada dekat 28 naskhah yang menghimpunkan kesemua siri Rurouni Kenshin

Kelly says

This is a guilty pleasure re-read of the series alongside my regular GR challenge. I've loved Rurouni Kenshin since I was a kid, and it makes me happy to dive back into this series.

Nicolo Yu says

As the flashbacks ended with a whirlwind of death that left everyone involved scarred for life; in the present, everyone in the Kamiya dojo prepared for the coming of Enishi and his judgment. As the rest of Kenshin's friends prepare for the battle that was to come, Kaoru made arrangements to contact the Aoiya in Kyoto.

Febyan Kudrat says

Dimulainya Jinchu (hukuman manusia)

Aurélie Knit & Read says

Avec le recul, je me dis que ce manga *Shonen* n'était pas si bon que ça, mais j'ai longtemps conservé en mémoire l'effet produit par les extraordinaires OAV consacrées au chapitre du souvenir.

Kenshin reste un divertissement très honorables, mais je ne pourrais sans doute pas le relire aujourd'hui, *too much*.
