What Is the Real Secret of Obtaining Desirable Possessions?

Are some people born under a lucky star or other charm which enables them to have all that which seems so desirable, and if not, what is the cause of the difference in conditions under which men live?

Many years ago, feeling there must be a logical answer to this question, I decided to find out, if possible, what it was. I found the answer to my own satisfaction, and for years, have given the information to others who have used it successfully.
