Fallen Fae C.N. Crawford , Alex Rivers

*This is a short story that is a prequel to the upcoming **Dark Fae F.B.I.** series, which takes place in London.*

Roan Taranis is a fae with a dark history, and when bodies start turning up all over London, things only get more complicated for him. Making matters worse, his closest friend Elrine has been imprisoned by the king. As he prowls around the Ripper-like crime scenes, fate puts him on a collision course with Cassandra, an FBI profiler investigating the killings. Cassandra has no idea that the fae are involved in the murders. Roan knows a lot more than he's willing to let on. In fact, he knows a lot about Cassandra, too, and she just might be the key to helping him get his life back.

*For the rest of Roan and Cassandra's story, look out for updates of the release of **Agent of Enchantment**.*

Paula says

Nice tit bit.

May says

Great, short read! It was really nice to see things from Roan's POV, and that he was almost as much of a victim as Cassandra in their first encounter.

Vannessa says

I enjoyed this short novella from Roan's point of view of his first meeting with Cassandra. He knows more about her heritage than she does and it will be interesting to see how their relationship develops now.

Aviar Savijon says

A fast paced thrilling supernatural, paranormal fantasy book of investigation. I loved it.

Jessica says

This is too short. It needs to be longer or maybe have all four books in Roan's pov as well.

Alex ? Deranged KittyCat ? says

Well, wasn't that nice? It's always interesting to get the guy's point of view. And it seems there's more to Roan than meets the eye.
Can't wait for the second book.

Laura says

Nice POV fro Roan of the meet queue.

Shannie says

Great shortest story lol

TE says

It's really got my curiosity piqued. If this is anything to go by, the series should be pretty good.

Victoria Birckbichler says

I loved the entire series!

Carrie Garza says

Very short prequel to the Fae FBI trilogy. Meet Roan Taranis.

April Hollingworth says

Very short story, but it was interesting reading Roan's perspective.
