Jessica Andersen says

I only added the SparkNotes because the version of Animal Farm I read was included in the same book with 1984. But, I wanted to count them as two books. So I'm counting the Spark Notes in lieu of Animal Farm itself.

That being said. The SparkNotes were really helpful in helping me understand the historical significance and events that are referenced in Animal Farm. I never had to read this book for school, so I wanted some idea of how the allegory paired with real life.
