Scream of Eagles

William W. Johnstone

Scream of Eagles William W. Johnstone
THE GREATEST WESTERN WRITER OF THE 21ST CENTURY

LIFE IS CHEAP IN ARIZONA TERRITORY

Raised by the Shawnee, Jamie Ian MacCallister survived the bloodshed of the Alamo and the Civil War. With each victory, the MacCallister legend grew—as violent and unpredictable as the land that gave him life.

Now the battle has gotten personal: the brutal murder of his wife at the hands of the wild Miles Nelson gang. Jamie's journey of revenge will take him from Atlantic City's bustling port of thieves, con men and whores to the pristine and deadly landscape of the Colorado Rockies...and finally to a place called Little Big Horn. All he has at his side are his sons and an unquenchable thirst for justice—MacCallister style.

larry brashear says

Excellent!

A really great novel based on historical facts. I find it refreshing that the author pulled no punches when speaking about the "glory hunter" Custer.

Randy says

The Miles Nelson gang made a mistake when they attacked MacCallister Valley. They got away with a lot of money and killed a dozen people.

One of them happened to be Jamie Ian MacCallister's beloved Kate, the mother of their nine children, the grandmother of dozens more.

Jamie took his time in the planning. For six months, he had detectives hitting towns all over the west. He did a little roving and asking himself.

He gathered a list of fifty-one names, the surviving members of the gang, including Miles Nelson.

Then he began his hunt.

It took two years.

That was Book One.

Book Two concerns his wandering with a group of "old salts" and their battles and finally, at age sixty-seven, scouting for George Custer.

A reissue of a 1996 book while Johnstone was still alive and writing.

Daniel says

I must I read all the books with Jamie. I started with his crisis as a child, and worked my way through his life adventures. Now his crisis came to an end and he moved on to be with his wife Kate in the Starry walk. It was a great joy reading about his journey.

Jeff says

pretty dang good

Ray says

This was the very first book I read from William Johnstone. I am a big fan of westerns and have read some good ones and some bad ones. After reading this book I spend months devouring any western Johnstone wrote. A word of caution, read his book series in order and don't do like I did and make this your first William Johnstone experience.

Timothy Boyd says

Another great western series by Johnstone. This one follows the adventures of a family for generations as they help build the American frontier. Recommended

Jim says

I am really enjoying this series. I hope that there are many more in the future.

Jim Shannon says

Great conclusion to the previous 3
