Box of Rot

William Todd Rose

Box of Rot William Todd Rose

From the dark and twisted imagination of author William Todd Rose comes two e-books guaranteed to thrill and delight. In each volume lies a mini-collection of stories which gives the reader a unique peek into the mind of the writer The Google+ Insider's Guide named as one of their top 32 authors to follow.

Within the Box of Rot shamble the walking corpses for which Rose is predominantly known. Here there be zombies, each presented in the author's own, distinctive style. From the snow covered prairies of the Old West to starships journeying through the cosmos and all points in between, Box of Rot proves that the walking dead are never that far away...
