Dark Season: The Complete Second Series

Amy Cross

Dark Season: The Complete Second Series Amy Cross

For the first time, the entire second series of Dark Season books is available in one volume. Also includes 20th Century Vampire (A Dark Season Prequel). Total word count is around 180,000 words, approximately 700 to 800 pages of a printed book.

Sophie Hart's relationship with Patrick, the last vampire, continues to take a series of dark twists and turns. But this time, there's the life of a child at stake. A mysterious stranger named Nimrod offers to help Sophie, but can he be trusted? Meanwhile, an ancient prophecy says that Patrick will eventually kill Sophie. Determined to fight that prophecy, Patrick risks unleashing dark forces from a war that end centuries ago.

Along the way, there are giant spiders, genetically-engineered killers, desperate ghosts and former vampires, plus a sequel to The Civil Dead from the first series in which the Tenderlings show their true powers.

From modern-day Dedston to the trenches of the First World War, and from an ancient ballroom filled with spiders to the bottom of a haunted well, this volume collects together the 8 books from Dark Season's second series, plus the prequel volume 20th Century Vampire.

This volume contains all 8 books in the second series, plus the prequel:

Book 0: 20th Century Vampire (A Dark Season Prequel)

Book 1: Nimrod

Book 2: Shy People

Book 3: The Ghost of the Girl in the Well

Book 4: Tenderling

Book 5: Shelley

Book 6: Spider, Spider

Book 7: Fangs Out

Book 8: The Death of Sophie Hart

Please note: This book contains violence, swearing and sexual scenes. Also, the end of the whole book finishes on something of a cliffhanger, which will be resolved when the next Dark Season book comes out in November 2012.

Jane Love says

Sophie wakes up in hospital after begin missing for a year she doesn't remember anything, she is told that she has given birth but she can't even remember. Will she find her child and will Patrick the last vampire kill the woman he loves.

Julie Powell says

A fabulous second series in the Dark Season saga. This fantasy is brought into reality by the author's easy to read writing style (not withstanding the typos). I love the many first person narratives and the swing of time, which cleverly reveal a great plot.

We learn more about the characters and their motives and of course the prophecy in this second batch.

I don't give spoilers, but will say that if you like plenty of twists and turns and a splash of originality, together with intriguing characters, this horror is for you.

Recommended.

Jessika says

Amy Cross certainly lives up to the expectations I had for her. In my mind, she is a master of plot, and this book (along with the whole previous series) is clear evidence of that in my mind.

Terena says

Dark Season: The Complete Second Series by Amy Cross

Once again I will stress the importance of reading this complete series, starting with Season One. I found this series to be too wordy and drawn out. In this set the author tried to tie parts back to happenings in the previous series and almost succeeded. The problem was that she waited so long that the reader was left bewildered. Patrick did not appear in this series until near the end, and then briefly. Instead we venture out with many different characters, making one wonder why they are included at all. It seems they aren't relevant to the series. Perhaps the final series will actually tie it all together. It was an ordeal getting through this series. I'm not impressed by the story thus far. There is nothing to help a reader identify with the main characters.

Tina Smith says

Awesome

I am going to have to get this whole series for my daughter! She would absolutely love it! I know I have! On to the next in line.

Candy Lazzaro says

Dark Season #2

Took me a couple chapters before I got into this book. Once I did get into it though, I couldn't put it down.

Penny Mabe says

Could not put book down

Very well written and makes you feel as if you are there. Starting on the third series now and can't wait

Megan says

Having trouble putting the books down. Some many twists and turns. Now on to third series

Janeandjerry says

I LIKED THE FIRST SERIES BETTER THAN THIS ONE BECAUSE THIS ONE JUMPS ALL OVER THE PLACE AND YOU NEVER KNEW WHAT WAS GOING TO BE COMING NEXT...EVEN THOUGH I ENJOY READING FROM THIS AUTHOR I HOPE THAT THE NEXT SERIES IS BETTER...

Debbie says

I love this series cant wait for All of series 3!

Julie Potter says

Dark Season 2

I enjoyed this book. It was great finding out the back story of some of the characters that have been mentioned in the series so far. I can't wait to start the 3rd series.

Cindy Tanner says

intriguing

Lots of excitement! I have been truly captivated.
I love the chaos of the characters in this series and can't wait to read the next.
