4 foursome stars for SECRET CONFESSIONS: BACKSTAGE-THEO!

Screaming Tuesday's songwriter Theo Long is NOT looking forward to meeting the nightmare that is the president of his band's superfan club, Andrea NcNamara. Even though he's never met her, he's sure she'll be awful. But Andi is nothing like he expected, especially when she coerces bandmates Rei and Sawyer into a hot ménage so she can get the men together. Theo is frighteningly impressed and ridiculously turned on by the sight of the three of them going at it. So what's a man to do but join in!

Hawt DAMN this was a delicious read! I'm not exactly sure why it was called SECRET CONFESSIONS: BACKSTAGE-THEO, since the majority of the read focused on Rei, Sawyer and Andi, but who the hell cares, it was 100% erotic! This book is a shortie, I finished it while getting ready for work, but it packed one sexy punch. I am obsessed with the band, with Andi and with her kinda creepy obsession with them all. I need to go back and read the others in this series!

Bottom Line: Oh so yummy MMMF sharing; no condom use; no BDSM/kink; no sexual assault; no violence/murder.

Theo has lost something very important to him, a necklace given to him by his sister that evokes the memories of Christmas at Tinaroo Dam; the necklace is a tangible memory of home. He is trying to win the necklace back on an online auction and loses the bid. Guitarist for The Screaming Tuesdays is his lifelong dream, but the tour has become a prison of sorts with enforced promotional gigs that leave him feeling as if he is being stalked by the super-fans of the group. On super-fan in particular seems to know all, see all, and provide all, Andi. Rei is also a guitarist for The Tuesdays and has been in love with Sawyer, the drummer, for as long as the band has been just friends making a loud noise. Rei is in constant pain as Sawyer teases then hurts him. See-all-know-all Andi teases Theo then sets up a ménage with Rei and Sawyer, or does she?

Original Review @ Naomi's Reading Palace

Theo's story finally brings us to the band members!! The guys need to attend a meeting with some of their most dedicated fans, mingle and play nice. Sawyer makes a comment about his bandmate Rei and soon things are spinning out of control and Andi, their number one fan, steps in to fix the problem. Theo is attracted to Andi, and watches as she weaves her magic between Sawyer and Rei, with amps up the sexual experience between Theo and Andi. This story is what I expect from a band and a groupie... it's raunchy and oh so hawt!

ARC received for an honest review

In this weeks episode we are focusing on.....Theo!

But as much as this is Theo's story, I felt that it was also a lot more Rei and Sawyer's story.

Anni is the annoying fangirl, president of the fan club. Theo and the boys have never met her - and aren't keen on meeting her.

But boy, do things take a turn for the hotter once they do meet her. Band mates Rei and Sawyer have some issues that she thinks she can help get sorted, as well as get Theo's attention. Does she what! Send in the fire brigade because things are going to get

As much as I liked Theo and Anni's story and the , the one I really wanted to get more of was Sawyer and Rei. There was just so much more going on there that I wanted to know about. What happened to them after this night?

This has been by far the steamiest and hottest of the novellas so far

Boy was this a hot one. It always amazes me how much I love M/M/F/M. The story was okay but once it got to the sex it lit my ipad on fire, not to mention what it did to

me! These band members will never forget this night, that's for sure...especially Rei

## **Mollien Fote Osterman says**

This is the fourth installment of the Screaming Tuesday's saga. This installment was written by Zaide Bishop. I was torn with this story. Although I found the story line fun, interesting and as sexy as the other books, I found this one a little harder to read. I am giving it the benefit of a doubt because A: these books are written by Australian authors and maybe Ms Bishop doesn't try to Americanize her writing (good for her.) B: Maybe since the ARC that I was given was not completely edited and it has some flaws in it that were fixed for publication. All that aside this was another short, fun, crazy read. I love the way that these books take you behind the scenes to the world of Rock and Roll.

This book is the story of Theo, but really it is Andi's, Rei's and Sawyer's story as well. Andi is the way out there president of the fan club for the Screaming Tuesdays. She has an uncanny way of knowing the wants and needs of the band mates. Which is a little unnerving to the members of the band since they have never met Andi. During the meet and greet with select fanclub fans and some of the band mates, Andi works it out that Rei and Sawyer work things out and she gets what she wants from Theo.

ARC provided by the Author, distributed by Net Galley via Escape Publishing, in exchange for an honest review. Read and reviewed by Mollien from Alpha Book Club.

Someone pass me a fan, I need to cool down. (though a fan sure did the opposite to Theo and his bandmates ;p )

Theo and his fellow members of the massively popular band 'The Screaming Tuesdays' are about to go to a fan club meet and greet arranged by the far-too-knowledgeable Andi. Theo's worry is what Andi will be like in person considering her creepily high level of knowledge of all the band members, until he sees Sawyer completely step on Rei's feelings. But fear not, Andi has a plan. A sexy plan.

Ok, so I don't read a huge amount of erotic romances, but I got an ARC and thought hey, this sounds interesting, let's give it a try.

For starters the characters are all really very cool. Rei's an adorable puppy, Sawyer you want to kick in the face, Theo is tough and the sort of person you want to be your best friend. But my favourite is Andi. Her terrifying store of knowledge about the band boys is staggering, and I REALLY want to know how she does it.

You get a good bit of time to enjoy the characters, their complications, and learn a bit about what life is like touring before things get sexy.

And boy do they get sexy. MxM, FxM, MxMxF and, crap, there were so many combos I don't think I can remember them all! I don't want to ruin it, but it certainly was rock and roll ;p

What really got me though was that there were still a good number of jokes. I laughed repeatedly. I also had

plenty of romantic 'awww' moments.

All up: cool characters, solid story, laughs, and sexy times. I'm not a big reader in this genre, but I don't know how it really gets any better than this.

A sizzling hot instalment in this series of super quick reads. I loved the characters in this book.

### **AusRomToday says**

What can I say.... Theo offers a white-hot foursome for the ages! Bishop is a new author for me and can I say, what a delightful surprise. The story itself was fast-paced with heavy sexual overtones as per the previous stories in the series but Theo offered something extra—the exploration of the friendship of three mates moving into the unknown territory of lovers. There is of course one woman in the mix (hence the foursome I mentioned), Andi who also provides a HFN for Theo. There is a surprising amount of depth to this storyline given the short length of the story that leads me to think Sawyer and Rei's story may be one worth mentioning in a stand-alone read.

Wow, not sure what to say, wild, crazy, fan club members, the band, jealousy, attractions to same sex, multiple partners, wasn't sure what was going to happen next, did like Theo and Andi, interesting read.

HOLY MOLY! This is one hot instalment. I was totally intrigued and glued to my seat with this one. Theo is the bass guitarist of the band and surrounded Rei, Sawyer and Theo meeting a group of serious fans. HOT SIZZZZLING addition to the Secret Confessions: Backstage series.
