Suicide River Len Levinson

The Japs are staging a surprise attack.

But a bigger, bloodier surprise is waiting for them! Whoever controls New Guinea can turn the tide of the war. That's why the Japs are mounting a bold sneak attack designed to wipe out the Americans. But the Rat Bastards know when and where the enemy plans to strike. Can they quit thrill-hunting and fighting each other long enough to become the killer combat the Yanks need to survive?

Ted says

War pulp. Ridiculously silly war pulp. Cpl Bannon is back but only gets in one kill. Sgt Butsko kills 20 and more Japs and also finds time to have sex with a nurse. For a rare time in this series there is no knock down, dragged out fight between any members of the Rat Bastards. Surely Frankie La Barbara will have his nose broken yet again. Are our boys getting soft? Say it's not so.
