**Howard Finster, Stranger from Another World: Man of Visions Now on This Earth** Howard Finster , Roger Manley (Photographer) , Victor Faccinto (Photographer) , Tom Patterson

A backwoods Baptist preacher inspired by the Gospel, visitations from the dead, and visions of extraterrestrial life, the Reverend Howard Finster is an unlikely candidate for art celebrity. But in this collection of 150 of the artist's paintings, fans can make the pilgrimage to Finster's Paradise Garden in Pennville, Georgia. 120 illustrations in full color.

## **From Reader Review Howard Finster, Stranger from Another World: Man of Visions Now on This Earth for online ebook**

### **Margaret Allen says**

This out-of-print book is worth tracking down. It is the life story of noted folk artist the Rev. Howard Finster told in his own words. Finster became famous for his unique visionary paintings and his construction of Paradise Garden, a folk art environment.

If you know anything about Howard Finster's folk art, it's worth reading this book. It gave me insight into why he created the things he did.

---

### **jessica wilson says**

I am quite happy I was able to visit Finster's Paradise Gardens. This book is fun and full of the charms of the Reverend. As a book, I think I enjoyed the writing of Tress Prsbrey much, much more but still enjoyed the journey.
