Sweet and romantics story from Jodi Thomas. This is the perfect Valentine's Day story, filled with love and discovery of wonderful feelings.

Surprised .

The book was so so. I have read almost all of jodi thomas book. This is just milk. The only thing different is it had no comparison as to how good her other books are.

Marilynn Layden says

Just as good the second time around

I read this book a long time ago in paperback. I had donated all of my books so I could not read this wonderful book again. This is a typical great story by Jodi Thomas. I highly recommend it.I
