Only for a limited time: Winters Heat, Fighting For Flight, and Wicked Wind!

Winters Heat (Titan series, book1)

After putting her life on the line to protect classified intelligence, military psychologist Mia Kensington is on a cross-country road trip from hell with an intrusive save-the-day hero. Uninterested in his white knight act, she'd rather take her chances without the ruggedly handsome, cold-blooded operative who boasts an alpha complex and too many guns.

Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind.

When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret--he's the adoptive father of an orphaned baby girl. Too soon, danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without.

Fighting For Flight (Fighting series, book 1)

What happens when in order to win, you're forced to lose?

The only daughter of an infamous Las Vegas pimp, Raven Morretti grew up an outsider. Liberated from the neglectful home of her prostitute mother, she finds solace as a mechanic. With few friends, she's content with the simple life. Flying under the radar is all she knows and more than she expects.

Until she catches the eye of local celebrity, UFL playboy, Jonah Slade.

Weeks away from his title fight, Jonah is determined to stay focused on everything he's trained so hard to achieve. Undefeated in the octagon, he's at the height of his career. But resisting Raven's effortless allure and uncomplicated nature is a fight he can't win.

Jonah trades in his bad-boy reputation and puts his heart on the line. But when her father contacts her, setting in motion the ugly truth of her destiny, Jonah must choose. In a high-stakes gamble where love and freedom hang in the balance, a war is waged where the price of losing is a fate worse than death.

Will the hotheaded Jonah be able to restrain his inner fighter to save the woman he loves?

Or will Raven be forced into a life she's been desperate to avoid?

Wicked Wind (Solsti Prophecy series, book1)

Born with the ability to command the wind, Nicole Bonham dispenses her own brand of vigilante justice in Chicago's worst neighborhoods. Stealth and surprise are always on her side.

Lash demon Gunnar prowls Earth and several supernatural realms to help maintain peace among the immortal species. His chance encounter with Nicole creates a hurricane of sparks between them, and he won't rest until she is his.

Angarad says

I already read Winter's heat and fighting for flight and I still love them so I won't add any comments.

As for Wicked Wind, great find!! A really interesting setting and beginning with 2 gifted sisters trying to make the world better. Add some sexy demon warriors to the mix, it is a success. Even though I would have like more sass and tension between Gunnar and Nicole, their love is very deep and beautiful to see. I can't wait to read about Kai and Brooke, their story is going to be EXPLOSIVE!!

Racquel Reck says

OMG!!! I almost fainted when I saw this!

Why? Because Winters Heat, Fighting For Flight, and Wicked Wind are all together! These are my top favorite books. I love romance and read just about every genre.

Here we have the start of three awesome series.

The Titan Series: Winters Heat, by Cristin Harber. Military, romantic suspense.

The Fighting Series: Fighting For Flight, by JB Salsbury. MMA fighting romance.

And...

The Solsti Prophecy Series: Wicked Wind, by Sharon Kay. Paranormal romance.

It's a great combination of stories with badass defenders. This box set is adequately named.

I could go into how good each book is. But then I'd be here all afternoon and this would be a long review. So I'll sum up each book in one sentence each. If you want the full review click on each book to see what I said.

Winters Heat: This love on the run pulled me in with the first chapter and kept me there with lots of action and a steamy romance.

Fighting For Flight: The fight for love comes in many forms and I had to fight with my family to be able to read this book because I couldn't put it down.

Wicked Wind: This book blew me away with action, a hot romance, and a hero and heroine who work together to defeat evil and gain a life long love for each other in the end.

15 Bright stars to these authors and the box set you won't want to miss!

Very good, steamy read. I was worried that I wouldn't like the Paranormal romance but I found it quite enjoyable! I'm in love with all the heroes & the heroines in these stories!
