## From Reader Review Sherlock: A Study In Pink for online ebook

### Tisha says

This is brilliant! I am giving it a straight 4 because of the amazing artworks. Yeah, the manga styled artworks are simply beautiful. Sherlock-Watson looks so RAD in this! :D

The story is nothing different from the tv show. So there's nothing new to read. But the fun is new and the read is interesting.

It would be a recommendation for all Sherlock fans out there who love to read. :D

---

### Antonella says

Che strano leggere al contrario, cioè partendo dall'ultima pagina e da destra verso sinistra.

Neanche il tempo di abituarmici e il volumetto è bell'e finito...

Carino, però... molto carino, veramente.

Bei disegni, bellissimo tratto, elegante, ricco di particolari ed effetti, simpaticissima la trascrizione dei suoni, storia discreta vista anche l'ambientazione in una Londra di oggi (per fortuna non ho visto la serie TV; molto probabilmente mi sarei persa la novità...).

Soddisfatta, molto, di questa nuova esperienza.

Avanti allora con il n. 2!

Reseña completa: <http://elcaosliterario.blogspot.com/2...>

Este manga es una adaptación muy fiel a la serie de la BBC. El trabajo que han realizado es muy bueno y refleja muy bien las sensaciones que transmite y los rasgos más típicos de los personajes. Para mí ha sido toda una sorpresa ya que era la primera vez que leía un manga.

Las tramas son muy buenas y los personajes principales tienen una personalidad arrolladora. Es muy entretenido y se lee fácilmente, aunque, para los que no estamos acostumbrados a leer mangas, se nos puede hacer un poco pesada su lectura por abrirlo desde el lado izquierdo y leerlo de derecha a izquierda.

Este manga hará las delicias de los seguidores de la serie, pero al mismo tiempo, también gustará a aquellos que todavía no la hayan visto. No es necesario tener ningún tipo de referencias para leerlo.

En resumen: una adaptación muy fiel del primer capítulo de Sherlock. Imprescindible para fanáticos de la serie y del personaje. Recomendada para aquellos que, como yo, han decidido iniciarse en el mundo del manga. Seguro que no será el último.

Found this in a japanese bookstore shortly before the english release was announced. I didn't even know there was a Sherlock manga adaption for the BBC series \*.\*

Sherlock is one of my favorite shows, and this manga tries very hard to stay true to the source material. Conversations, character design, props and gags are largely the same as in the show, which is great! I mean, look at the cover. Benedict Cumberbatch is totally visible in the manga art, and the artist deserves a lot of credit for that.

However, I wish the artist had been given just a tiny little bit more freedom, to better express the character dynamics and plot developments *in the manga format*.

Sherlock the manga Vol. 1 reads like a stop motion version of the series, and the series that used to be fast, dynamic and fresh on the small screen suddenly became static, a mere remake.

I'm a huge fan of manga adaptations and I love revisiting the series (be it in a re-watch or a re-read of the episode!) but in a direct comparison with the source work, the manga falls a little flat.

### **Lea says**

Really enjoyed reading this even though I'm not a big fan of Manga art - I'd have preferred a Graphic Novel with more realistic looking features. But I didn't dislike the art this time.

When I finished this I did kind of wonder, even though I liked it, what the point was. It's so close to the TV show in most regards except medium that it doesn't offer a new perspective or anything like that. If you don't like the show but do like Sherlock Holmes in general, this probably wouldn't be a good fit.

### **Niyura says**

2,5/5

No me matéis, pero se me ha hecho muy soso... Y quiero aclarar que nunca había visto/leído nada de Sherlock

---

### **Galaxy Adventurer says**

I mean it's the same thing you see in the show, but I loved it XD

---

## Madelyn says

THIS.WAS.SO.GOOD.

---

## Amber says

This was a pretty good graphic novel based on the first episode of Stephen Moffat's Sherlock series. If you like the TV show Sherlock, definitely check this graphic novel out. It is available at your local library and wherever books are sold.

---

## Charlie says

### 4.5./5 Stars

So my birthday came round this week and unexpectedly my boyfriend got me this as one of my presents! I absolutely love the BBC version of Sherlock and to read this in manga form was awesome. Plus it's my first ever owned manga! XD

It genuinely made me laugh some of Sherlock's faces that were pulled and I love it when a book/manga can do that. Overall a brilliant story with awesome characters displayed in a form of art I love.

## Anniebananie says

Achja ich liebe einfach alles rund um Sherlock. Und da ich die BBC-Serie mit Benedict Cumberbatch vergöttere musste der Manga zu ebendieser her. Cumberbatch ist für mich einfach der perfekte Sherlock ?? ich mochte den Zeichenstil hier sehr, allerdings kam für mich Dr. John Watson (aka Martin Freeman) nicht so witzig rüber wie in der Serie, hier wirkte er etwas stumpf(sinnig), aber vielleicht wird das ja in den kommenden Bänden noch besser.

Ich kann auch nicht beurteilen ob man diesen Manga versteht, ohne die Serie zu kennen, da manchmal irgendwie nicht ganz klar war wer grade spricht.

Aber darüber hinaus fand ich "Ein Fall von Pink" sehr genial und unterhaltsam.

## Patricia Bejarano says

Me ha encantado. Totalmente fiel a la serie y plasmado todo al más mínimo detalle. Si os gusta esta serie no os podéis perder el manga. El dibujo es espectacular, sobretodo el de Sherlock, que está logradísimo y se nota que es él. Me fallaba un poquito más el dibujo de vez en cuando de Watson, pero solo en algunas viñetas, así que no me voy a quejar, porque ha sido una gozada leerlo. ¡¡¡¡¡RECOMENDADÍSIMO!!!!

My video review: <https://youtu.be/UNswm5fBIaI>

The manga adaptation for the first episode of BBC's Sherlock, is brilliant. It captures everything so well that it almost feels like you are re-watching the episode. This is both good and bad. I was amazed at how accurate the content was, but at the same time I would have liked a little more creative freedom; something different instead of just the same thing I've watched on TV over 5 times.

The art style is amazing, I would never have imagined Benadryl Cabbagepatch fitting in so well with manga. I would highly recommend this to any fan of Sherlock wanting their fix, if not just for the artwork alone.
