## **Guy** Diana Palmer

New York Times bestselling author Diana Palmer heads back to Jacobsville with another fan-favorite Long, Tall Texan tale, originally published in 1999 in *Love With a Long, Tall Texan*.

Roguish Guy Fenton is long, lean, and impossible to resist and has all the ladies in town swooning. But this rugged Texan refuses to be tamed by any woman, let alone a prickly publicist who gets on his last nerve. But beautiful brunette Candy Marshall isn't your average Jane—she's able to look past Guy's bad boy reputation. In the process, she might just bring the sexy rancher to his knees ...

### Linda says

#### Good

Not the normal Diana Palmer read. Guy and Candy's story was fast, short, and sweet. Maybe just a little too short. Too much happened in less than a week.

What can I say, Diana, you've done it again. No sense, in repeating, the allocations. Will recommend to everyone. Alvis
