This was an awesome read and I look forward to reading more Batman books. I love having the omnibus/absolute formats to be able to read them all the way through. This run by Peter Tomasi and Patrick Gleason is great and I highly recommend it.

Amazing series, one of my favorite Batman book's out there.

Donovan says

A tome in the life of Batman and Robin: the pure heartwarming joy of family, the tragedy of their loss, unbridled adventure, and of course, the two-fold nature of violence in vigilantism. Now among my favorite Bat titles.
