A Different Kind of Love Sheelagh Kelly

A soldier's love of regiment; a nurse's devotion to humanity... the final instalment of Sheelagh Kelly's unforgettable Kilmaster trilogy

The Great War is at its height, and while **Probyn Kilmaster** is proud to pass on his expertise to the raw recruits bound for France, he is unprepared for the carnage which he must lead them into.

Meanwhile in the Yorkshire pit village of Denaby Main, his wife, **Grace**, contends with bringing up their children alone. Armistice comes, but so does fresh tragedy, and for the young Kilmasters their father's well-meaning attempt to keep the family together leads instead to cruelty and oppression...

Can they find redemption?

Perfect for readers of Rosie Goodwin, Emma Hornby and Lesley Pearce, *A Different Kind of Love* is an emotional and unputdownable finale to the Kilmaster trilogy.

Overall an enjoyable read. However, I felt that parts of the story were dragged out.

I have thoroughly enjoyed reading this book, a saga of the Kilmaster family and their lives spanning two world wars.

When RSM Probyn Kilmaster's loving wife dies, leaving behind a young family, Probyn takes a new wife, the worst mistake he could make. Eliza is a mean and cruel woman, especially to her step-children.

When she is left a widow, her cruelty knows no bounds, her step-children treated despicably, her own children not much better.

The Kilmaster children are eventually rescued and escape her tyranny, but the memories of fear are never far away. Reaching adulthood, their lives follow different paths, but they remain close, rejoicing in the time they are able to spend together despite much hardship.

This was the first novel I have read by Sheelagh Kelly, I intend to read more. If you enjoy a heartwarming saga, then look no further than A Different Kind Of Love.

Truly a different kind of love but so wonderfully portrayed!

I thoroughly enjoyed this series . I felt like the characters were my personal friends as I traveled through the individual lives. It took a bit of getting accustomed to the different manner of speaking but felt it was well written.. Thanks for a great story.
