My Spiritual Journey Willie Mae Jacobs

The title of my book, My Spiritual Journey comes from my desire to share my spiritual life believing it will bless others. I have worked on this book for many years journaling my testimony, vision, dream I have been saved over 50 years and God has done some miraculous things in my life. I pray that this book will draw people to Christ, and encourage them to hold on to God, no matter, what they face. God can turn your life around and take your misery and use it for your ministry. Our God is a healer of the heart and God uses broken vessels for his Glory.
