An Old SOT Speaks Calloway Cochran , Robert J Sadler (Editor)

There is no denying his habit; Calloway Cochran was an unabashed SOT! Marrying a dancer, a dance choreographer and professor of the MFA dance program at TCU, was an eye-opening and life-long experience which Calloway details in his own inimitable style. Calloway Cochran writes in twelve essays a sweeping tell-all tale of extra-curricular activities as a dancer's spouse. Read the 'confessions' of a former attorney and Senior Vice-President of The Federal Reserve Bank - Dallas, an avid church-goer and truth-teller.
