The Prodigal's unwilling returnThe Dark Elf Naitachal, once a Necromancer who gained power by depriving others of their life forces, is now happy in the more peaceful role of Bard. But shadows from his past linger. Naitachal's Dark Elf clan sees him as the worst of traitors for daring to turn towards the Light. They mean to take revenge.

They create a trap, the Chaos Gate, a sorcerous portal that is meant to draw him into their lands and into their power.

Only Kevin, once Naitachal's apprentice, now a full Bard and Count in his own castle, stands between the Dark Elf and certain doom. But can even the powers of Bardic Magic be enough to vanquish the Darkness?

### Cheryl says

I think Josepha Sherman writes some of the best fantasy, because she gets you so caught up in the story, that you don't even notice the time going by. This little adventure is like all her work, lures you in, makes you laugh, gets you excited, and thrills with the unexpected.
