## Touch Series

*Lucia Jordan*

### **Touch Series** Lucia Jordan

ere, presented in one volume, are the four stories that comprise the 'Touch' series by Lucia Jordan with her signature style of high passion, emotion and great sex.

Touch Book 1: Passionate Encounter

Touch Book 2: Dark Temptation

Touch Book 3: Broken Promise

Touch Book 4: Forever Bound

Kelly Miller had had enough of her cheating boyfriend, his lack of ambition and his habit of tearing her down. She tosses him and all his stuff out and swears off men forever just as the devastatingly handsome Michael Adams shows up in her life. Michael is her boss and he's used to being in charge, but can he take charge of this feisty and wounded woman? Their relationship grows while their sex life explodes and after a revelation, Kelly realizes that perhaps Michael, the dominant and powerful man, is as wounded inside as she is.

Be warned that this ebook contains very hot and explicit descriptions of erotic activity, BDSM themes and submissive training. Only mature readers should download this book.

### Donna Fernandez says

Great

I truly enjoyed this series. It is just a little different than most stories that I have read. I definitely recommend it

---

### Alex1234 says

This Series Is A Really Good One Probably The Best In My Opinion

### Brendy says

### Marianna says

It was good, but not really... I dont know i have a wierd feeling about it.

I know it should be a short story, and it was a bdsm, but he should at least tell her one time that he loves her or something. Something just not right for me in this story, and its not a bdsm sex. Sorry.

### Makeba Stewart says

I enjoyed this short read for the story line, characters, sexual tension and sex scenes were good. This was a good reads.

---

### Morgan says

It might be because I've read a few of Lucia Jordan's erotica novels before that i'm a little disappointed with this one. It might be that I'm so use to the structure of the stories that I'm becoming bored or i've seen her do better with a story. In any case I feel like it was again insightful. Michael and Kelly are two similar creatures

---

both with rough pasts and in the end they found one another and are happy.

---

### **Gabby Zapata says**

Ok... where do I start? First of all I can't believe that this can happen. I know it's a book but the author couldn't make it a little more realistic? Come on, literally she met him and she fell in love with him. And just a couple hours after they have a dinner she accepted to do everything he told her.

Well, definitely I didn't like this book, at all.

---

### **Megan Fields says**

I liked this story, but it's not one of my favorites by Lucia. The woman just seemed to needy and drive me a little crazy. Lucia is still one of my fave authors though!

---

### **Heather says**

3.5 stars.

Characters good, story okay, sex scenes could have been better. BDSM aspect was there but more in background of their relationship. Mostly it was them overcoming their past, and parents to learn to trust and love each other. She said "I love you" he doesn't say the words at all. Kinda ends abruptly but sorta happy cuz surprise things work out.

K enough rant in that's my review.

My suggestion is to read all 4 parts together. It's not very long and a rather quick read.

### **Jennifer Figueroa says**

Lucia Jordan knows how to write a great book I can not get enough literally all her books are amazing I read them all

---

### **Sol Belenda says**

Historia corta, dividida en 4 partes. Empezó mas o menos bien, ella ya no soporta las infidelidades de su novio así que literalmente arroja todas sus cosas por la ventana y le dice adiós para siempre. De repente un nuevo jefe aparece, y bum! ambos se atraen. Hasta ahí todo bien....

No sé en qué momento, pero de golpe están metidos en el BDSM! :O Ella era "tranquila" y ahora es como "azótame, pégame, etc". WTF?!

Y lo peor de todo es que las cosas pasan muy rápido que ni siquiera pude conocer en profundidad a los

---

personajes.

No le encontré ni una gota de romanticismo :(

Hice un gran esfuerzo por terminarlo, pero no me gustó para nada.
