If Only He Hadn't... Jacqueline Garlick

With Denver's fate hanging in the balance, Kyla Cooper can't believe things could get worse, until Aubrey Martin comes forward with a shocking confession that turns both their worlds upside down. Reeling from Aubrey's cutting words, Kyla must return to school where she is confronted by whispers of criticism. Ostracized by friends and gossiped about by others, Kyla refuses to believe Aubrey's testimony and is determined to find out the truth about what happened to Denver that night.

If only Denver could talk to her.
If only he could communicate.
Maybe she could solve the mystery around what's happened.
And resurrect the truth.

Armed with her love for Denver, the latest research, and the powers of her telepathic gift, Kyla sets out on a mission to reconnect with Denver, in order to unravel Aubrey's lies.
But will Kyla be able to reach Denver before it's too late?

IF ONLY
he hadn't...

An edgy teen, coming-of-age love story, with a hint of mystery and a splash of paranormal, in the spirit of the movie classic, Ghost.

on the edge of my seat

I am on the edge of my seat with this book. The next book only comes out a few days from now 3/31/15 and I can't wait to read it! It makes me wonder what has really happened to Denver. And I feel for Kyla. Emotions I didn't even know I had have been brought up. I can't wait to read the next book! I'm hooked!
