The Frat Brat

The Frat Brat Nico Jaye

Kyle Fenton's nickname around his fraternity house may as well be "Shameless Flirt." Out and proud to his frat, he's more than happy to live up to that reputation, especially when new frat brother Daisuke "Dice" Keto moves in. However, Dice's reaction to Kyle's antics is cryptic at best, leaving Kyle frustrated in more ways than one. Will a lost bet--and a sexy rendezvous with a "Secret Admirer"--clarify the situation?

Dear Author,

*I am taking part of a punishment... scratch that, I'm being forced in this punishment. We, the seniors, placed a bet with the juniors of our fraternity to see who could raise the most money. Guess who lost? Now, each senior is placed in a separate room where our supposed punishment will happen. Walking into my assigned room, I notice two unusual things: a blindfold and a note that says "Sit down and put the blindfold on."
—Secret Admirer"*

Photo Description:

A black-and-white close-up of an attractive young man wearing a dark blindfold. His expression is stoic—not fearful, but also not excited. He isn't wearing a shirt, and, based on the upper chest area that is visible, he's muscular and fit.

This story puts the smu- into smuff. (Smuff = smut + fluff, for the uninitiated). If you are looking for something short and hot and absolutely gorgeous to read, then look no further.

We have college boys, a bet, semi-naked car washing, blindfolds...did I mention college boys? This is seriously a most delightful read. One of those that you'll read again and again, in between angst filled novels to set your heart back straight.

Kyle and Dice will win you over and turn you into a big ol' gooey mess on the floor by the time they've finished. You'll probably need a cold shower after reading - and then find yourself going back to the beginning and starting over.

Again, I was lucky enough to beta read this and have been waiting to tell everyone to go and read it. It's so much fun. Seriously, I'm squeeing as I write this review, this story - it's just YUM!

A lost bet leads to the nicest things sometimes.

Kyle is a shameless flirt. **SHAMELESS!**

Dice and his stone face only eggs him on further.

I like a dude who knows what he wants and isn't ashamed to go after it.

Nico knows her way around smuff and she knows it well and she delivered it.

I'm a little bummed about missing the lace thongs. I am just saying I wouldn't be mad at a follow up.

Thanks to Nico and her team for participating in the event.

This. was. *awesome!* *squees*

It's a funny, sweet and HOT read about college boys that will leave you wanting more.

Edited due to flagging.

So much love for this story. Kyle and Dice are amazing together and the banter and chemistry between them was so fun to read. Another smufftastic Nico tale!

SEXY, DELICIOUS FUN!

The guy in the prompt image is stoic, but there's nothing stoic about this story.

Kyle shamelessly flirts with Dice in the hopes that maybe, MAYBE, Dice will return his attentions.

When Kyle is blindfolded, he's more than able, and he's certainly WILLING.

Serious bonus points for a Japanese-American MC with nipple bars.

GAH!

Two minor irritations:

-I didn't want to read about Kyle's other conquests. He was pining for Dice and could have slowed down on the sleaze.

-Dice being (view spoiler) diluted the story a bit. That's such a BIG theme, and it really wasn't explored.

But who cares?

Read this for the slow, smexy burn and two frat boys getting it on.

HELL, YEAH, BABY!

Reading this story prompted this convo with my college age son:

He went on to say that it's really a different generation. Besides making me feel old as rocks, it made me really happy. And it made me enjoy this 'crushing on you' story all the more. It was playful, sexy and reminded me that fraternities don't have to be all about horrible homophobic hazing.

This is going to be one my bulletin reviews. So, these are the facts:

- American-Japanese jock.
- Frat house, so...jocks all around.
- Slow burn.
- Body piercings.
- Blindfold.
- Smoking hot sex scene.

Yes, you guessed right, I am pleased. And I want more.

Adorbs! Sassy and cute. What's not to love in this frat brothers' romance?

UPDATE (2018)! So...uhh...I guess ARe is no longer around, so time to kick that link to the curb. In the meanwhile, I figured I'd include a link to the freebie shortie that I wrote for GRL in 2015. Well, shorter-shortie since I suppose The Frat Brat is itself a short story. :) But anyway, it's a free wee ficlet follow up to Dice and Kyle's story, and you can find it here: The Good Ones - Free Ficlet. =)

Loved it!

Smoking hot GFY. And so much fun! I really liked the characters and the ending was really sweet.

Catherine says

Nico's stories are always smuffy and delightful, but there was something extra sassy about Kyle that made this one so much FUN to read! I agree with my girl, Dani, that the GFY or gay-and-in-the-closet thing felt a little rushed and unresolved, but it didn't bother me much. I just sat back and enjoyed their sexy times (and their adorable cuddling post-sexy times).

Plus, that cover. UNF!

MLE says

Well, it's unpopular opinion time, again. All of my friends loved this, but it just left me cold. Something about Kyle grated on my nerves. I didn't really care how much he was sleeping around, but his feelings for Dice seemed a bit shallow and silly. I liked Dice even less, and his jealousy seemed a bit much, and the gfy angle left me cold. So in short I didn't like the characters, didn't buy into their bond, and didn't even find it all that sexy at all.
