### **Unauthorized Series: The Complete Collection** Lisa Ladew

These are four full novels, steamy, all of them standalones and police romance, that follow four female police officers in their pursuit of their happily ever after. All romantic suspense. Jen, the heroine of the first book, is Jerry's sister from the Edge of the Heat Series.

**Unauthorized Affair** - Twenty-six year old Jen Mansko finds out the hard way that she's too trusting. Her apartment ransacked, her bank account emptied, and her heart broken, Jen has had enough and high-tails it to the only place she can think of where she will be welcomed – her brother's house.

Anxious for a fresh start, Jen does something completely out of character and decides to become a cop. Soon, the athletic beauty with the striking-pink locks captures the attention of ex-navy seal Police Sergeant Hunter Foley. When she is vetted for an undercover assignment, Jen dares another feat and quickly wins the approval of the powers that be.

Once embedded in the covert operation, yet another unlikely suitor is drawn to her. With two men on opposite sides of the law vying for her attention, Jen is forced to make a choice or risk having all she's worked so hard for ripped away from her.

**Unauthorized Deception** - When blackmailing leads to leaving it all behind, Ivy is desperate for the truth. The man she'd come to love suddenly disappears, leaving a note on her bedside table, Ivy's world is shaken to the core. The man she knew wanted nothing more than to be a cop. He wouldn't have thrown it all away.

It will be up to Ivy to find the answers, but the journey she embarks on is full of twists and turns. This sadistic game of cat and mouse will lead to a very unlikely source and familial bonds will be tested.

After working so hard to learn to love and trust, Ivy must gather her resolve and push past the deception. Will Ryker still be the same man once the web of lies is destroyed?

**Unauthorized Obsession** - Officer Kara Price has recovered from her injury and is back doing what she loves best, patrolling the streets of Westwood Harbor, praying that she never hears from her stalker again. But when her neighbor sees a man lurking outside her home, her partner finally forces her to take the case to the detectives.

Her attention is distracted by a confident, cocky, gorgeous business owner who sets his sights on her and won't take no for an answer.

Within days, her stalker turns from slight annoyance, to imminently dangerous, pulling her attention back to her current crisis. When the investigating officer suspects her new boyfriend is her stalker, Kara balks immediately. But when what they uncover in the investigation lands him in jail, Kara is torn between her heart and her safety. As her life spins out of control she holds tight to the hope that both of them will make it out of this alive and out from under suspicion.

**Unauthorized Return** - Coleton, our handsome and rich poet from book 1 returns, battered, bruised, and a little more bitter than before. But when the Sgt. Aria Gale, the police officer assigned to protect him is the twin sister of the most recent woman to crush his heart, he wonders if standing and fighting is even worth it.

When Coleton's car blows up, he has no more choice. He and Aria go on the run. But how will she react when she finds out about Coleton's involvement with her sister? Especially once he finds himself falling in love with her.

## **From Reader Review Unauthorized Series: The Complete Collection for online ebook**

### **MaryAnn Costanzo says**

Totally loved the whole series. I am so glad that Coleton found love. I loved the bond that he had with Jen and was thrilled when he showed back up in the story. As usual Lisa you kept me captivated.

### **Sherry Haynes says**

Unauthorized Series offers the reader four books based on four female officers. It covers their life not only on the job but their personal life. Both of which tend to intermingle and places them in danger. Some of the story lines appear a bit over the top but they are fictional stories so reality tends to go out the window at times. Expect drama, danger, and eventually love.

### **Marcella says**

Glad this was free.

I read the first book in this box and found it pretty amateurish. The heroine comes across as dumb and everything regarding the police - the way she becomes an undercover cop and the undercover operation itself - is totally unbelievable.

I then skipped to the last book in the box, hoping the author got a bit better by then, but alas. I started skipping and dnf'd it after a while.

I purchased this boxed set Dec. 2015.)

I have read all 4 of these books as well as others in this series.. Lisa Ladew writes awesome stories and this series has been a favorite of mine. Each of her books has kept me interested throughout. Each book is full of adventure, mystery, suspense, and romance. Each is a standalone novel with some reoccurring characters. There are no cliffhangers tho there are sometimes leads into the next novel. Being a huge fan I highly recommend this boxed set as well as all other books by Lisa.

### **Jenni Bishop says**

All these great books in one collection. Lisa writes so well you fell as though you are part of the world she creates. She is able to weave a story that always leaves you wanting more. Suspense, mystery, fear, terror, romance, super sexy hot alpha males and sassy women all in one place so you can finish one and jump right into the next. Grab a comfy seat, a bottle of wine and indulge yourself. I can guarantee you will not be disappointed.

### **Finding The One For You**

### **Jayne says**

#### **A 4 book bundle.**

Unauthorized is a collection of 4 books focusing on police officers and recruits for the department, their lives, loves and pressures of the job. Each book focuses on a romantic couple but the same characters intermingle very efficiently and seamlessly throughout. It was an ok read, fluidly written but I found some circumstances were highly improbable if not down right, impossible, definitely OTT.

### **Sue says**

#### **First Book: Unauthorized Affair**

This starts the series with Jen, a lovely young woman with a love of surfing and loyalty to her friends. Her boyfriend treats her like garbage - and she finds out just what a piece of garbage he is! When she goes to see her brother (from the first series by this author), she decides on a new career. She applies to become a police officer - and is taken into an undercover situation. There's a top mob boss, an absolutely delicious boss, and a team she feels strong bonds to. Jen finds her life path. She is strong and courageous and clever and becomes one of my favorite female characters!

#### **Second Book: Unauthorized Deception**

Ivy is part of the team with Jen. She and the other member, Ryker, fall in love in the first book - but in this book, Ryker leaves her a note and disappears. Jen comes to help her find out what's gone wrong...and where Ryker has gone. More mob mentality in the form of one of the top mob guys distant relations - who wants to make his mark and become important to the Boss, who is in prison. Trying to orchestrate an escape while doing drugs and holding Ryker as an unwilling accomplice, this mob idiot needs to come down. Jen and Ivy get help...(again with folks from the first series, a couple of FBI guys). With all that goes on in this book, it turns out there are several samples of blood taken from one of the crime scenes where Ivy got hurt. Ryker left blood there, too, along with a female cop that was shot by a druggie girlfriend...turns out that there are a couple of half-siblings according to the blood found on scene. Could Ryker and Ivy be related???

#### Third Book: Unauthorized Obsession

Kara, a young policewoman, has a stalker. He's getting creepier and creepier. Now she feels she is in danger. She is dealing with her healing leg, where she'd been shot by a druggie during a noise call, adjusting to having a half-sister she never knew about, and worrying about who her stalker could be, and why. As the book progresses, Kara finds herself with a new Rookie to train, new family to get to know (and love), and her blooming feelings for a man who seems to be set up to be her stalker. She ends up working with one of her female officers to try to figure the stalker out...Sgt. Gale. This case gets pretty scary and keeps the reader engaged...

#### Fourth Book: Unauthorized Return

Sgt. Gale is assigned to protect Coleton Savoy - son of the big boss Boss, Fiore Savoy. He hates his father and has never been involved in the family 'business', and his father now wants him dead before he can testify against him and seal his fate of life in prison. After attempts on his life, Sgt Gale takes him away to hide him and keep him safe. But what about keeping her safe...from her feelings?? This book ties up the series. It left me wanting more. The lady cops in all four books made me proud to be female! They were strong, determined, nearly fearless, and loving and kind and loyal. Great characters - Great Books!!
