Pocket Havamal

Sæmundr fróði , Carrie Overton , Benjamin Thorpe (Translator)

Pocket Havamal Sæmundr fróði , Carrie Overton , Benjamin Thorpe (Translator)

Have you ever been out talking with someone and knew there was a perfect Havamal quote for the situation but you just couldn't remember it exactly?

Ever been inspired out in nature and felt the urge to read the words of Odin?

If so, the Pocket Havamal is for you!

This small book includes the entire Benjamin Thorpe translation of the Havamal or The Sayings of the High One.

From Reader Review Pocket Havamal for online ebook

Michael Wayne Hampton says

old Norse wisdom and myth combined in an epic poem

Stephen Simpson says

Some solid sayings/quotes, but not much depth. Very quick read, but still should be interesting to people with an interest in Norse history/literature.

Syd Barwick says

Handy pocket sized edition of English translation of "Sayings of the High one", also known as Odin. Well laid out collection of sayings, though they are translated from Old Norse into English so at times you have to use a little brain power to get to the meaning.
