## **Oncology, Stupology ... I Want to Go Home!** Marilyn K. Hershey

This delightfully illustrated picture book is for children (of all ages) battling cancer. The story is wonderfully weaved with humor and brightly colored pictures; while it takes you through a child's true emotional frustrations from being in the hospital.

**Catherine Woodman says**

this is nowhere near as great as anything Nancy Keene has had her hands in, but it is one of the very few books that deal with kids who have cancer and what the experience is like
