Daughter of Grace Michael R. Phillips , Judith Pella

After a shocking discovery in Miracle Springs, Corrie's world is turned upside down. But as the community grows and their cabin becomes a home, she feels the Hollisters are finally learning how to be a real family. Deep down, she knows she isn't old enough to be a true mother to her siblings, but can she trust anyone else with their care?

Penny says

This whole series is such a good continuing story of a family in California during the gold rush years. There are high moral values and exciting story lines. Can't wait to read the next one!

Myra says

loved the Corrie Belle Hollister series...

Rachel says

This was a really good book. I enjoyed it so much. One thing I loved about this series, was that it wasn't based on romance! I am really getting sick of romantic books, and this was so refreshing. IT had funny parts, it wasn't boring and a good example of how books should be written.

Emily says

I finished the book I highly recommend this series to any fans of the wild west /Gold rush the characters are well thought out and the books feel like they flow well with the previous in the series . I can't wait to read the third book and the rest :)

Anne says

Another great book by Michael Philips! This is the 2nd book in the "The Journals of Corrie Belle Hollister" series. I love this author and this time era.

Yvonne Crawford says

love

Amanda says

A good continuation of the story begun in My Father's World, it is again a light, quick read suitable for many ages. I looked online and discovered that there are NOT only 5 books in this series; there are at least 8, and then there are at least 2 companion series that continue the story of the characters. I will read what I have, but I'm not sure I'll spend the money on buying the rest if I can't find them through the library.

Lydia Carson says

I enjoyed reading this Part 2 of the series. I like the references to a Christian's relying on God which is much the same as today. The story is funny, with just the right drama.

Lydia Hulin says

loved it.

Rebecca Martin says

This is the second book in a series. It is a great book that tells about a teenager named Corrie and her learning to know her heavenly Father and becoming reacquainted with her earthly father.

Donna says

Good book.
