Laura says

I read through the bible using a two year, chronological reading schedule, and I loved it. I have tried several bible reading plans and always quit because I get too far behind. This was perfect; it was normally two chapters a day. It was my new found love for reading that convicted me to be reading my bible on a daily basis. I read all these books, christian books, but how much time was I spending in Gods word? Very convicting to me. This was a blessing in my life. I have already printed off a new schedule so I can start all over. May God bless you all during this Christmas season. Merry Christmas.
