The Hot Girl's Friend Lisa Scott

“The Hot Girl’s Friend”

How can a plain Jane find love when her best friend is a curvy, blonde man magnet?

Jane usually busies herself during a night on the town, fending off the men lusting after her gorgeous friend Miranda. When Brady the bartender overhears her inspired, ludicrous excuses, he resolves to hook up Jane with his friends. But Jane would be quite happy with him. Pine along as Jane tries to find her own happily ever after.

A short story of 12,000 words, or 48 typical book pages.

This is one of the stories from the collection *Flirts! 5 Romantic Short Stories*. Buy the entire collection for just \$2.99 (with fewer calories than your favorite cappuccino and probably cheaper, too!) Read them all, and discover the loose thread that ties them together.

From Reader Review The Hot Girl's Friend for online ebook

Nyssa says

Reread: 11/3/17 - My initial review remains the same, but I seem to have enjoyed the story much more this time around, as I was planning to give it 5-stars. It could be, however, the fact that I haven't read anything that was not either school or work-related since May!

I blame the euphoria of reading for fun!! Therefore, I'll just bump the rating up to a 4.

Original Review

Cliched and predictable - yes! Adorable, sweet, and even a little bit heartwarming - Absolutely.

You can probably tell this story by the title alone, and most certainly by the blurb/synopsis, but it was a cute read anyway. While Jane's self-deprecating manner was on the annoying side, there really wouldn't have been a (short) story without it. Plus, her razor-sharp wit, when it came to repelling undesirables, made up for her self-doubt and added a chuckle or two as well.

Joana says

3.5 stars

I was looking for a short and fun book to read, and I'm glad I found this one!

Jane it's used to be in the shadow of her best friend Melody...if they go to the bar, every man attention it's to her blonde bombshell friend. So she is used to help her friend, from some unwanted attention, making up hilarious excuses (like, she just got out of jail and so on)...and it's caught up lying by the handsome bartender Brady.

One thing, leads to another, and a bet is made! And they both get more they have bargained for!

Really fun read =D

Ana says

I hardly write reviews about books I didn't like, but funny..today I feel inspired and actually have something to say about this short story. I will try to be as constructive as I can, cause though I'm rating it 1 star, it really doesn't mean the story completely sucked and that someone else won't like it. As I always say, reviews are subjective, so if you still feel like reading this story (even though you'll read this review) it's perfectly OK.

Ok, got that off my chest and now moving on with the review.

This is one of the 5 stories from the collection of short stories "Flirts!" by Lisa Scott. I really haven't heard of this author before and got this book cause of 2 main reasons: it was a freebie on Amazon, so I thought WHY NOT READ IT, and second the cover caught my eye.

I'm not much of a short stories fan, but despite it I thought it would be nice to discover a new author. It's a

fast read, definitely, but from the very first page I didn't like it (which is something that rarely happens to me).

The story itself reminded me a lot of *Something Borrowed and Something Blue* by Emily Giffin. It's about two friends, Jane and Miranda who have a funny (at least according to me) relationship. And though I really loved Rachel and Darcy and forgave them about breaking the Rule No 1 in every girlfriend relationship, I just couldn't accept that Jane lives as Miranda's shadow.

Somewhere around the middle of the story I found out about the real reasons behind their strange relationship and why is Jane so overprotective, but NOPE, I just couldn't swallow it. Maybe I would enjoy the story more if the author concentrated more on explaining Jane and Miranda's friendship instead of describing how gorgeous Miranda is (and how plain Jane is).

So, I really wanted to like this story, from reading the blurb I thought it would be a fun read. But...how do I put this politely..it just wasn't for me!

Mazmum says

Fun little romp about being the less attractive friend, imaginative stories and male friends who might be more.

Selina says

Simple, short and predictable. But it's still a cute, funny and lovely story.

Corinne Bedford says

Nice, breezy short story. No complaints

Betty says

Jane is at the local bar when her friend, Miranda comes in. Jane moves to the dance floor and she and Miranda start the dancing up. Little by little the dance floor fills up and Jane leaves Miranda in the company of two male dancers. This is a common occurrence for the two women. Jane has a habit of screening prospective 'dates' for Miranda. Miranda is a tall sexy blonde man magnet and Jane is the sort of average looking friend. This particular night Jane ends up in conversation with the bartender, Brady. The two banter back and forth for a while and then he makes plans to meet her the next day at his ball game. He tells her that she is just as hot and he bets her a tee shirt that if she tried to meet men in other than a bar with Miranda she would also have lots of dates. The bet is made and now the real fun begins.

This is a well written short story with fun characters and plenty of sharp biting wit. I truly enjoyed this story and will be looking for more from this author.

LaQuita says

I got this free short story ebook today as I was browsing the internet looking for something quick and simple and something that would cheer me up since my youngest started school today.

I found "The Hot Girl's Friend," and absolutely adored this story. It's about two friends, your typical gorgeous, needs to be center of attention friend and the average looking friend who gets stuck alone when it comes to finding love.

This story not only made me laugh with the humor, but at times I found my blushing when Jane would blush. It was a quick read and wish it was a bit longer, but I found it quite enjoyable and I am looking forward to reading the other short stories by Lisa Scott.

Adriana says

THIS WAS ADORABLE! BRADY TOTALLY STOLE MY HEART

Esmeralda says

Ok so I was bored and looking for free books when this book caught my eye. I really like this short story it made me feel all giddy and gullible. And I feel like I have butterfly's in my stomach. I think the author did a job well done with this short story. She made 2 people realize they like each other in 113 pages and in those 113 pages I felt a whole bunch of emotions. And I can't wait to read "flirts". So if your looking for a short story that makes you feel giddy then this book is for you.

? Rhiannon ☆ Mistwalker ? says

SUPER short but sweet and just what I wanted to read tonight. The romance was adorable but if the heroine is actually plain, or plump, or whatever her undescribed characteristics that made her pale in comparison to her friend Miranda, then I feel like this sweet piece of fluff is getting my hopes up. Men like this are just not real.

Lady Raven RAVE! says

BRIEF SUMMARY

Jane is Miranda's friend, and they are usually out together during their nights out. Jane helps fend off the men for Miranda, because she is gorgeous and every guy's fantasy. With a hot girlfriend like Miranda, Jane wonders how is a girl like her suppose to find her happy ending.

THOUGHTS

Flirts! 5 Romantic Short Stories, is a small collection of stories by the author. Some of the books in the collections are free and the whole collection can be bought together.

This was such a cute and funny story. It almost had a feel and humor of the movie, 'How to Lose a Guy in 10 Days'. And the title of the book says it all as well. Jane and Miranda are friends. Jane always plays wing-man to their nights out, while Miranda is on the prowl. Miranda is the six feet tall blond that's hard to miss in a bar or club, so, on a particular night out; Jane meets Brady, a bartender.

Brady was just such a nice guy, mixed with sexy and the guy next door description mentioned in the book. Jane, was just a regular girl who expect nothing when out with her friend. Their chemistry was fun and enjoyable to read. Brady took Jane out to prove she's hot, but selfishly derails her invites from guys interested in her. I have to applaud the witty excuses and humor in this book, it was the added bonus that made this book interesting. With Brady's derailing tactics, this leaves Jane, a little confuse because he doesn't seem the least bit interested in her. Though this book seems predictable, everything about this short novella was sweet, cute, funny, and even sexy.

Story: GOOD

Enjoyment: GOOD

Fatima Fayez says

Lisa Scott's "The Hot Girl's Friend" is a light breezy read, perfect for those who need an entertaining story that won't make you feel guilty for spending the time doing something else (in my case it was working on my thesis). Jane follows her "hot friend" Miranda and fend off guys that try to approach Miranda with funny excuses. A bartender overhears Jane and is intrigued by the her comebacks. She explains to him that, as "the hot girl's friend," men only approach her to get to Miranda. He decides to help her get a date. The story is predictable but I enjoyed the interactions/dialogue between the characters and the unexpected backstory. It added depth to the characters.

I found "The Hot Girl's Friend" for free on the Amazon. Reading the reviews made me give it a chance and I am glad I did. I'm now a fan of Lisa Scott and purchased her short story collection for the next time I need a

fun speedy story to read.
