101 Soups, Salads & Sandwiches (101 Cookbook Collection) Gooseberry Patch

Whether you're looking for lunch recipes, side dishes, or hearty mains, you'll love the variety in 101 Soups, Salads & Sandwiches Cookbook. Chicken & Dumplin' Soup, Spicy Sausage Chowder and Pioneer Beef Stew and BBQ Sloppy Joe Soup will all hit the spot! Tarragon Steak Dinner Salad and Pasta Taco Salad make tasty mains, while Mustard-Thyme Potato Salad and Raspberry Chicken Salad are great for toting to potlucks and picnics. Bite-sized or stacked high, friends & family will love sandwiches like Cheeseburger Roll-Ups, BBQ Chicken Calzones, Tuna Paninis and Lasagna Buns. Plus, with the "Terrific Toppings" chapter, you can sprinkle soups and salads with homemade garnishes like Zesty Pita Crisps and Bacon-Onion Croutons, and pile more flavor on sandwiches with Lemony Sage Mayonnaise or easy Refrigerator Pickles.

Simple and easy to follow. A lot of great healthy lunch ideas!

Angie (Mind Malfunction) says

101 Soups, Salads & Sandwiches by Gooseberry Patch isn't my kind of cookbook. The recipes lean heavy on canned ingredients and mayonnaise. Similar to a Campbells or Kraft Recipe Book from the 90's. Again, that doesn't mean its bad, just not for me. I prefer fresh, from scratch recipes.

Keri says

Nice cookbook

Some recipes looked common. I especially liked recipes for sauces. I was happy to see some unique sandwich recipes. I will definitely try some!

Patricia says

Unfortunately, this book isn't for me. it focused a lot on a lot of canned foods, especially pre-sliced veggies. I wasn't inspired to try any of the recipes. I think to avoid confusion, there should be "quick" or "simple" added to the title to give an insight of the kind of recipes you'd find in the book.

Jacquelyn Smith says

good for soups and sandwiches.

Katie says

Great suggestions for easy peasy good tasting food. I love to read cookbooks but am not a great recipe follower. I often combine the parts/ingredients of recipes that sound good to fit our family's likes and for which I have ingredients (this does not work for baking!). I found this a good source of ideas for easily fixed dishes I knew we would enjoy.

I will look for more Gooseberry books.

Ietrio says

A simple book with simple instructions. The recipes are not particularly healthy or particularly tasty.

Vicki says

I've been a fan of Gooseberry Patch for so many years so when I saw this book I couldn't resist buying it. I love that it's spiral bound, and the pages are easy to wipe clean if something splatters on them.

This book will come in handy when I'm looking for a soup, salad, or sandwich recipe to post for Souper Sundays (soup, salads, or sandwiches) or Weekend Cooking.

Here are some of the recipes I want to try:

Soups

Chicken Cacciatore

Kielbasa

Meatball Vegetable Cheese

Salads

Berry Chicken

Layered Caribbean Chicken

White Bean & Tomato

Sandwiches

Scott's Ham & Pear

Toasted Chicken Salad Bagels

Yiayia's Chicken Pitas

Each recipe has the name and place of the person who submitted it, and a few of their thoughts on the dish. The last page has U.S. to Canadian Equivalents, Baking Pan Sizes, Recipe Abbreviations, and Kitchen Measurements.

I love this book and want to add more Gooseberry cookbooks to my kitchen library.
