### **Aeron Trahaearn says**

HE GETS IS HAND CUT OFF?????!!! CESARE WTF ARE YOU DOING TO CHIARO!!!

---

### **Solace Winter says**

This particular novel flows much smoother than the last couple in this series. Perhaps because there is less of a focus on Cesare's demonic possession and more of a focus on the human feelings and goings on of the people. The novel read smoothly and went fast. Anxious to finally read the next one!

### **Dorian de Jandreau says**

The story is getting sadder and sadder...

---

### **Mary says**

Ending plot twist: How did I not see that coming?

### **Angel says**

alot

---

### **Logan says**

The plot dragged a little bit in this one...but FINALLY Cesare is dark and evil and gorgeous like he should be!

### **Nawal Al Hosani Scorpion DOADA says**

Amazing Story..... A perfect mixture of history and fiction..... One of my favorite titles..... Ever Green in my heart..... Love you Cesare.....

---

### **Susan says**

the plot thickens. as of volume 7 there can be no doubt of Cesare's feelings and attraction to Chiaro. Cesare falls deeper into darkness without Chiaro at his side.

---

### **Kassilem says**

Thinks take a turn here. Lucrezia is moving on. So is Chiaro, even if it pains him to do so. And Cesare takes a turn for the worst. The volume was very engaging, more so than usual. The artwork is beautiful, the attire and facial expressions very detailed. Volpe has gained my complete dislike by now but Alfonso, a relatively new character, has definitely gained my liking. I'm looking forward to seeing where the series goes from here.
