Vinaya Pai says

The recipes I have read so far have been very unique. Thus cook book involves recipes with some very commonly used ingredients with a different style to it which makes it very interesting. I absolutely loved the watermelon sesame ginger salad! It was very well appreciated by my friends as well. I'm excited to try the other recipes too! Great pictures in the book that depict how it looks when the dish is made and overall it is written in a very casual and fun way which makes cooking even more enjoyable.

Love the creativity of the authors! Thank you so much Goodreads for sending me a free copy via Goodreads First reads!
