The Escape Clause

Bernadette Marie

The Escape Clause Bernadette Marie

Longing to experience the life her mother once led—the life of a carefree Parisian heiress—Avery Keller opts to give up everything she’s ever known—family, home, and a love affair with her dearest friend Pete. But when the dream abroad becomes a nightmare, Avery must count on her family and the man she loves to help her escape. But once home can she pick up where she left or will fate have stepped in and given Pete someone new to love?

Alie says

5 stars!

Great conclusion to the series! Pete is such a sweetheart! So glad that Avery realized that what she was looking for was right where she left it. I love the Kellers!!!

Kathleen Johnstone says

Perfect ending to a perfect series

Donna says

Avery and Pete have been best friends since childhood, but one night changed that. They thought it was for the better until something terrible happened. Can Avery stand by her man or follow the unknown? How bad could things get?

Amanda Lobato says

Another well written story in this series. But this is my least favorite book in the series. I didn't really care for Avery and her selfishness. I am also not a fan of reading about main characters with other people, it's just not my cup of tea.

Kate says

I didn't love this. The characters frustrated me, Avery especially, and the switch from best friends to couple was just a little too cut and dry.

Margaret Appel says

Dream a Little Dream

The Keller Family series just gets better and better! Avery Keller wants the life her mother had and gave up. That of a rich heiress living it up in Paris, with chauffeured limousines, fancy clothes, and jewelry. We all dream of happily ever afters, being rich, and famous. But dreams have a habit of turning into nightmares, and Avery, having walked away from her fiance and best friend Pete in Nashville TN, finds herself a virtual

prisoner abroad. I loved reading this book, it gives us the flip side of luxury and old world families.

Georgina Polanco Cadena says

I'm a Keller at heart

I'm going to miss the Keller Family, all of them have a piece of my heart... that family love is stronger than any army... Love them all

Kooky says

The start of this series was excellent, I loved it but now it's one of those series I feel should have stopped while it was ahead. It's nice to see what the children have grown up to be though.

Polly says

So, so, so sorry that all these kids are married off already. Love this series and this family. Thank you Bernadette for making me laugh, cry, be mad, and happy. Cannot wait to read more of your stories and characters. Thank you again.

Debra Mandel says

One of the best stories in the series. Fantastic. I am so happy I found this author. 10 amazing stories.

Elaine says

A great conclusion to the Keller family collection.

Michelle Potter says

I admit I shed a few tears when I started reading Avery and Pete's story. I'm more than a little sad that the Keller's series has come to an end. This story like the rest was a joy to read.

Lara Cassity-Lovell says

Saving the best for last.....

Bernadette has done it again! The love story of Peter and Avery is absolutely and undeniably HOT!! I love how Bernadette weaves a storyline from a past book into this present storyline! The book ends in true Keller style...everyone present, all passionately loving and committed and living their happily ever after!! Way to go Bernadette!! Now go eat you some pink and black cake!!!
