Little Feminist Board Book Set Lydia Ortiz (Illustrations) , Emily Kleinman (Text)

Mudpuppy's Little Feminist Board Book Set is comprised of colorful illustrated portraits of real women who have made historical impact on the world. Illustrations by Lydia Ortiz and words by Emily Kleinman introduce children to these important people in history with images that are fun for youngsters and also realistic. The Board Book Set includes 4 mini board books (Pioneers, Artists, Leaders, and Activists.)

- Size: 4 x 4 x 4"

Anya says

Our daughter loved the colours of this book from when she was just a couple of weeks old. While the book texts are quite awful and boring I made up my own stories based on the real histories and facts of the pictured women. Not many 3 months olds out there who know about the Taliban I bet...But the colours were engaging to the 3-6 months old and once our daughter started to crawl or walk up to her book baskets and grab them, the small size and hard to break nature of the book made it one of her favourites to grab and walk around while pushing her push car...

Earl says

Cute simplified intros to some powerful females. Each themed board book is about 4 feminists with one page of their illustrated image and then paired with a few words on the opposite side. I would personally seek out other board books of these kinds rather than this one but again it's a cute empowering message.

Ryan and Molly says

Great beginner set for introducing babies and toddlers to strong women. It's a wonderfully diverse group.

Jemima Osborne says

“Here’s to strong women. May we know them. May we be them. May we raise them”- Unknown.

I was sent the Little Feminist Board Box Set by Abrams&Chronicle Books in exchange for an honest review.

These four board books are the cutest thing ever!! With 16 Feminist icons and merely a sentence for each one, Kleinman perfectly captures each one. There’s four board books in this set, Artists, Pioneers, Activists and Leaders. I think Leaders was my favourite one but I do love the Artists one! The mini Frida Kahlo is adorable!!

These are perfect for anyone with a small child as they are realistic and informative. However they should be bought by anyone as they make a perfect little gift! I am definitely going to be buying my little cousin a set for her Birthday

Cindy says

Wonderful!
