Metaphysical Bible Dictionary

Charles Fillmore

Metaphysical Bible Dictionary Charles Fillmore

This one-of-a-kind volume presents the esoteric meanings of names and people, places, key words, and phrases found in the Bible. The ideas presented in this Bible reference book are based on the teachings of Jesus Christ and are presented in a cross-denominational format.

From Reader Review Metaphysical Bible Dictionary for online ebook

Gatlianne Gatlianne says

My first thought when reading this book was, "my mind is blown!" but then I realized that wasn't true - indeed, my mind had been awakened. A student of metaphysics, the concepts in this book were neither foreign nor confusing to me. This book took my knowledge of metaphysics to an even deeper understanding. It opened my eyes to what my mind knew all along intuitively - that there was so much more to the Bible than traditional, fundamentalist thinking led to believe. It was as though with this book my search came to treasure. This book is certainly a treasure and I can see why it is referred to as Fillmore's crowning achievement. I will read this book until the pages fall out and then buy another. I'm buying my husband his own copy. This book has also taken my thesis research to an entirely different level of depth.

I've read reviews about the binding of the book. It is basically a print on demand style book but I would encourage the proverbial "don't judge a book by its cover" on this one. The proof of it's worth is achieved through its contents.

Steven Wright says

Especially good for studying the microcosmic significance of city names in relation to the body and the parts of the tree of life

Katie O'Bryan says

Haven't read straight through, but great for Bible interpretation.

Noelle says

Very cool book, it is Fillmore's interpretation of the Bible but it opens you up to thinking differently, and I like that

Sheri Hoff says

Informational and helps a person understand metaphysical terms.

Robin Barben says

I refer to it daily in my study of metaphysics and the Spiritual Life.
