Watchman Nee

Changed Into His Likeness Watchman Nee

Are you ready for real and radical transformation? ?We all, with unveiled face, beholding the glory of the Lord, are being changed into his likeness from one degree of glory to another? (2 Cor 3:18, RSV). This message comes through loud and clear in the lives of Abraham, Isaac and Jacob. While they failed time and again, God was faithful to convict, restore and bless them. And He is able to deal with our slipping and stumbling as well. Watchman Nee uses the lives of the patriarchs to show that God is able to turn our failure into success and our weakness into strength. He does this not so much by transforming the situation as by transforming us. But God's sufficiency in the face of our failure is seen only as we surrender to Him and are changed into His likeness.

Jeff Shelnuttt says

Ever since I read *The Normal Christian Life* years ago, I've found myself returning again and again to the writings of Nee. Not only was he a profound thinker with a wide grasp of theology, but he was primarily concerned with the practical side of Christian living. This book digs deep and really pulls to the surface spiritual gems of insight from the experiences of the patriarchs. Like his other publications (with the exception of *The Spiritual Man*) this book is basically a transcript of a sermon series. The Body of Christ has benefited tremendously from Nee's influence and I pray that a new generation of Christians rediscover the riches this man of God has to offer.

Haymanot says

A truly brilliant and spirit led exposition of not only the story, but also the relevance and importance of the phases in a christian's life according to the lives of Abraham, Isaac and Jacob. This book gave me peace about the lack of peace in my life, and God's way of working with me. A definite must if you're struggling with God and struggling to overcome life's fears.

Lisa says

Awesome read so far...

Paula says

Another of Nee's books that make me stop and examine my life as far as my relationship with God. Questions I ask: "Do I trust God?" "Where might He be leading me?" Thought-provoking and convicting, as most of Nee's writing are.

Jane Hwang says

Really informative on the connection btwn the Old Testament (Abraham, Isaac, and Jacob) and New (Jesus). Never thought about the dual meaning of the triune God, the Father/Son/Holy Spirit and the God of Abraham, Isaac, and Jacob. A quick read!

Rick says

Nee can be hard to stay with. I have only read a handful of his books. True confession: I picked the skinnier ones. He as provided me with some good insights.

Esther Hong says

Angus I. Kinnear's "essential literary tidying-up" - not my cup of tea. Putting aside the unfortunate use of phrases, such as "cock-sureness", the first two chapters felt like a drag with so many impressive facts given but no compelling burden expressed.

Alicia says

Nee uses Abraham, Isaac and Jacob as a metaphor for our Christian life. There were some really neat insights. I especially liked what he shared about Jacob...

Allison says

I loved this book, especially the way he used Abraham, Isaac and Jacob as examples of the promise, the gift and the receiver.

Kjersti says

This is a study on Abraham, Isaac and Jacob of the Old Testament, and how God worked in their lives. I read it in Norwegian, but it's actually very well written - and translated. (It's actually one of the few Norwegian books where the translation hasn't bugged me. It's published by Logos if you're Norwegian.) Nee's points are very good, show a tremendous amount of insight and are easy to follow. Great book!

Anna G. says

very good book...really enjoyed it...many great points...chapter 10 brought me to tears...

Delores says

I truly believe in the sovereignty of God in all circumstances of life. Even in the timing of reading a book. This book spoke volumes to me in my faith as a believer in Jesus Christ; the only begotten Son of God. Many topics in this work by Watchman Nee helped me in a personal way such as being delivered from the Law. Man continues to make lists of what I must do to gain eternal salvation. The focus is on me and what I must do to fulfill. I will never be able to complete the "list". Instead I must put the focus on Christ and what He has completed for me so many years ago. Nee provides a simple analogy that easily explains this concept and many others to help the Christ believer to live to the fullest and to be free from the law.

Ken Peters says

This is not only the best Watchman Nee book I have ever read, but I don't think I'm exaggerating to say that it's the most impacting Christian devotional book I have ever read. Watchman Nee has found a gold mine of truth in the lives of Abraham, Isaac and Jacob, and that truth has pierced me and I hope it changes me -- more into the likeness of Christ! I could hardly read more than a few pages at time before I needed to stop and process what I'd read. It is rich and it is life-changing!
