JAMIE said “It’s a shame we never saw any of the gods’ early funtimes,” and KIERON said “Yeah,” and then they looked at each other, and then called all their talented friends to do a Christmas album of (mostly) fan service! Inanna and Baal getting it on! Lucifer and Sakhmet getting it on! Dionysus giving Baphomet a lift in a crappy car! And more! This one has it all.

### The Wicked + The Divine: Christmas Annual #1 Details

Date : Published December 13th 2017

## From Reader Review The Wicked + The Divine: Christmas Annual #1 for online ebook

### Marina Ferreira says

Good fan service, but not much else.

---

### Hayley says

Meh.

---

### Ela says

3.5 bc fan service, es básicamente eso y está ok (ni me acordaba de lo de Laura y Baal)

---

### Cat (cat-thecatladylady) says

~~I received a copy of this book from the publisher in exchange for an honest review.~~

honestly, it has been a while since I last enjoyed this series. this annual feels way too short and kinda all the same. I absolutely loved Lucifer and Amaterasu's bit tho.

---

### Sophia says

??λλη μια ματι? στο κ?σμο του "The wicked+ the divine". Εξαιρετικ?.  
Για εμ?να π?ρε 5 αστερ?κια μ?νο και μ?νο για το εξ?φυλλο...

---

### Leah says

Oh, I am here for all of this! The gents took a break from the main storyline to give us some backstory, mainly around some of the relationships:

Inanna and Baal - yes please! holy hotness Batman!  
Lucifer and Sakhmet  
Baphomet and the Morrigan  
Tara and her music  
Lucifer and Laura  
Lucifer and Amaterasu  
And

Baal and Laura

It was excellent to see all of our favorite gods on a more intimate level (was that slightly punny).

In the past, I haven't been a fan of the guest artists but these ones didn't feel jarring and didn't take me out of the stories, which I appreciated. It was just overall really a spectacular addition to an already great series.

Definitely recommend picking it up and reading it if you're a fan of WICDIV and it ends up not being a part of any of the bindups.

---

### **Kirra says**

Interesting little shorts of things we didn't get around to exploring between the big storylines. I liked seeing these interactions between the group's members and you get a little more backstory between some of them. I wasn't a big fan of most of the guest artwork but I still appreciated their own style and enjoyed seeing them in a different way...with fewer clothes.

---

### **Artur says**

WicDiv is ruthlessly economical in its storytelling. It has to be, given the intensity of the plot and the size of its cast (even now) – but it means that it cannot really luxuriate in the character beats, all the interactions between the characters occupy only as much space as needed, which results in a lot of moments feeling very understated to me.

The Christmas Annual amends that. It is gloriously ostentatious in going back and giving us short vignettes that show us some (sexy) interactions between the characters that we haven't seen before. It fills some gaps and allows us to see characters that we haven't seen for some time. A truly delightful Christmas gift.

---

### **Brandon St Mark says**

I love that this showed two men having sex and actually showed their penis. I don't know why I can see ten pussies an issue in a comic but can't get one dick. This was my reaction the entire issue just because of Baal and Inanna:

---

### **Jaime Starr says**

This was every bit of fanservice I wanted, needed and desperately blogged about craving. <3

---

## Maddie says

Why hello smut. One might avoid reading this in public, just a small warning. Still loved it though.

---

## Y says

Five stars for fantastic fanservice. You get pretty much anything you could ever want in this volume... and, yes, I am referring to Ba'al and Inanna being happy together. Definitely enjoyed this little collection.

---

## All Things Urban Fantasy says

Review courtesy of All Things Urban Fantasy

The Wicked + Divine series is about twelve gods who, every 90 years are reincarnated as humans and only live for two years. Unfortunately for me, THE WICKED + THE DIVINE CHRISTMAS ANNUAL issue was not in fact a one off Christmas special comic that a new reader to this series (it has 36 issues to it already!) could jump right in and enjoy. It is not a standalone story and nor does it have anything to do with Christmas. It is multiple short vignettes that start in medias res that assumes you know who is who and the characters history. Basically I was confused and knew nothing. It seems like it is a fan service installment that the authors and illustrators obviously had fun doing based on the description which is basically a quote from the author about how they came up with the idea for this annual.

What I really liked was the artwork. The cover is warm and Christmas-y and I love that it looks like it is knitted. The artwork on the inside is very well done too and colorful. The vignettes revolve around mostly sex scenes between various characters. Other vignettes have some mature language and subject matters as well with no sex. I was most intrigued by what was going on in the "Toxic Community" vignette. It features Lucifer and Hazel/Amaterasu and some kind of possible supernatural transformation. Most of the vignettes while confusing in general had a pretty understandable theme. "Toxic Community" was the only one where I had no way to get any context from any of the panels and had to make up what I thought was happening.

THE WICKED + THE DIVINE CHRISTMAS ANNUAL is definitely a Christmas present for fans of this series and it looks really well done. After reading this and doing some research on this series, I am kind of interested in picking up Issue #1.

---

## Bill says

For fans of "The Wicked + The Divine", this is a fun bonus comic -- a chance to see short but significant vignettes about most of the characters in the series, either before their transformation to "godhood" or shortly thereafter. It's also a tough read, though, since... well, to put it bluntly, this series can't end well, so seeing the "human" side of potentially doomed characters makes it that much more bittersweet. Oh, and don't read this one on the train, as there are a few naughty bits.

---

## **Anastasia says**

Quite useless, maybe some interesting moments, but nothing too great.
