## Danger Overseas

Carolyn Keene , Franklin W. Dixon

**Danger Overseas** Carolyn Keene , Franklin W. Dixon

**"Wow, Joe, I can't believe there are actually people out there who would mess around with all these awesome ancient ruins."** "Yeah, but Frank, it's because of them that ATAC sent us here to Rome, and nothing beats this Italian food!"

*"Nancy, I can't believe it. When Aunt Estelle invited you to come on this trip to Italy with Bess and me, I figured it would give you a break from mysteries, and you've still managed to find one!"*

"I know, George, but isn't it strange to find an American girl in the middle of Rome with no memory of how she got here?"

"Something tells me you'll get to the bottom of it all soon...."

One foreign city. One big crime.

Three of the best teen detectives of all time.

## From Reader Review Danger Overseas for online ebook

### Maryam says

Nancy Drew and her friends are on vacation in Rome and on the same time the Hardy Boys are undercover. They have to undercover a mystery of a missing artifact and someone convicted of the stolen thing. Can they Hardy Boys and Nancy Drew figure it out without it each other or they need to work together? Read the book to find out!!!!!!!!!!!!!!

---

### Sarah says

I used to love super mysteries...but either I remember them better than they were, or the ghostwriters are slipping.

---

### Anna says

Fun and fast! Parts of the ending were a little outlandish, but overall, it was fun so who cares! Side note, there is *so much* Francy in this book.

---

### Mara says

1. Nancy is still way cooler than the Hardy Boys.
  2. Why do Frank and Joe get all the fun technology? Because they work for some anti-crime organization (that employs teenagers) while Nancy is still cheerfully unemployed.
  3. It was nice to see Nancy get annoyed at someone.
  4. What is Nancy doing flirting with Frank. What about Ned?!?
- 

### Katherine says

Just by coincidence, Nancy Drew finds the Hardy Boys, after their sudden leave from the first meeting, in Rome. Another mystery arises that involves artifacts and action.

This book was satisfying to read as the sleuths' second meet-up.

---

### Erin says

Harmless and fun, with the Hardy Boys (as usual) being the brightest spot, narration-wise.

---

### **Ann♥???? says**

I always love the brothers teamwork, Nancy, George and Bess' teamwork; all of them helping people, solving mysteries, and fighting crime. The action at the beginning and later in the book was cool. The mythology/false god stuff (which thankfully wasn't the entire book) caused some parts to be boring since I find mythology/false god stuff boring. See how that works?

It was interesting reading about Corsica and it encouraged me to look it up to learn more about the island.

Best parts of the book:

Frank sending up a silent prayer to the Creator, not a false god.

The brothers looking out for each other and their teamwork.

Nancy being so nice and patient with an extremely whiny pickpocket whom they helped.

For the rest of my review, please check out @ Hardy and Drew Mysteries.

---

### **Audrey says**

Loved it!! I still like it and I highly recommend reading the next ones in the series. What I also really like (about this one and the others in the series) is that they are

a. modern teenagers

b. This series of these newer Nancy Drew & The Hardy Boys are really good and they are made for I would say 11+ maybe(well not necessarily this one but the others) because well the whole atmosphere in this is not like Nancy Drew and the Clue Crew.

c. I also like that these books are not like those super teen books with bad morals but its a good moral book directed to a bit older people.

---

### **Shraddha says**

3.5 actually.

The story was good, and I liked the humour and the characters. Especially Frank. He is adorable and shy and cool and collected. I just love him. Poor guy has to deal with huge men and dogs, lol. But he handles it all.

Even has a little crush on Nancy Drew. Gosh, so cute. I just love Frank!

---

### **Erin says**

Doesn't matter the simplicity of the novel, but loved every moment of it!

---

### **Rachel says**

"Wow, Joe, I can't believe there are actually people out there who would mess around with all these

---

awesome ancient ruins."

"Yeah, but Frank, it's because of them that ATAC sent us here to Rome, and nothing beats this Italian food!"

"Nancy, I can't believe it. When Aunt Estelle invited you to come on this trip to Italy with Bess and me, I figured it would give you a break from mysteries, and you've still managed to find one!"

"I know, George, but isn't it strange to find an American girl in the middle of Rome with no memory of how she got here?"

"Something tells me you'll get to the bottom of it all soon...."

One foreign city. One big crime.

Three of the best teen detectives of all time.

---

### **Eleni says**

O MY GODS I LOVED THIS BOOK  
I LOVE THE HARDY BOYS!!!  
FRANK AND JOE ARE AWESOME!!!!

---

### **Seema ♥Nerdgirl♥ says**

I really liked it, but I hated the Frank/Nancy moments! I do not ship them. Sorry to those of you who are addicted to Frank and Nancy, but I don't think they should go together. At. All!!!!!! THEY ARE NOT MEANT FOR EACH OTHER!!!!!! I was so suffering through those parts!!! And why was Nancy flirting with Frank?! Doesn't she have Ned?

The Nancy and Frank stuff are the only thing I hated about this book, otherwise I really liked it! Especially the brotherly moment near the end when Joe goes missing then Frank gets worried. Loved that scene!

---

### **Fahd says**

very nice

---

### **Coralie says**

These newer super mysteries aren't as good as the originals, but they sure are splendid reads compared to a

lot of other books! I like the way they portray the characters. They may be a little different, but sometimes they really nail the characters!
