Great Events from History: African American History

Salem Press (Editor)

Great Events from History: African American History Salem Press (Editor)

This new resource provides comprehensive coverage of the many events that define the framework of African American history, including social, cultural, and political movements, and the struggles to gain freedom, equality and civil rights. Just as the history of African Americans has been dominated by struggles for freedom and equal rights, articles in Great Events from History: African American History emphasize key events in the study of slavery, the abolitionist movement, civil rights, discrimination, voting rights, and Supreme Court decisions. Other events focus on arts and entertainment, Black Nationalism, crime and punishment, economic issues, education, military history, politics & government, religion, riots and civil disturbances and women's issues.
