Galdrabok: An Icelandic Grimoire

Stephen E. Flowers

Galdrabok: An Icelandic Grimoire Stephen E. Flowers

THE GALDRABOK, or Book of Magic, is the most important single document for understanding the practice of magic in late medieval Iceland. In this translation, the author discusses books of the black art, old gods, daemons of hell, runes and magical signs, theory and practice of magic.

From Reader Review Galdrabok: An Icelandic Grimoire for online ebook

Ian Apperley says

The Galdrabok section itself is only a few pages and 47 spells. The first part of the book is the context for the work and the latter additional material from Germanic magic.

Rebel Unicorn says

Avevo paura, leggendolo, di trovarmi davanti l'ennesima idiozia storica. Al contrario, sono rimasta piacevolmente sorpresa.

Johnny says

Classic Flowers. EXCELLENT translation, including explanations of ambiguity where possible, and no pretension. Half of this book is sortof a historical prologue, which does an amazing job at giving you a thorough understanding of the context these spells were created in, so you can really get a feel for their form and function.

Aaron Meyer says

An excellent look at a medieval Icelandic Grimoire. The history was very interesting to read, especially since it is a subject so overlooked.

Johnny says

VERY well done. Excellent foreword (about half the book) to provide context. Many references cited. Very highly recommended for fans of The Necronomicon or other grimoires. Flowers is hands-down the best in the field.

Edwar Castillo Lopez says

ammmmmmmmmmmmmmmmmmmmmmmmmmmmm no puedo leerlo amm como le hago
?

Deon says

Fun and informative.

Susy says

Great if you are into runes and runic lore.
