Settle into your favorite chair, and immerse yourself in a new consciousness of love. It's an adventure the likes of which you've never experienced before. A life-enhancing, life-changing adventure of love. A love story in its highest form.

Stranger by the River helps you navigate the river of life in the tradition of other classics such as Kahlil Gibran's *The Prophet*, William Blake's mystical poetry, and the Bible's *Song of Solomon*. Begin to experience a new consciousness when you see yourself from the perspective of Soul, a divine spark of God. Learn to recognize God's love through your relationships with your spouse or lover, your friends, and your family.

You'll thrill to the revelations each new chapter brings. The gentle wisdom revealed in the thirty-four spiritual dialogs between the great ECK Adept Rebazar Tarzs and the Seeker comes alive like a fire in your own heart.

The beautiful rhythm of *Stranger by the River* will lift you into a higher understanding of God. You'll delve deeply into the mysteries of love, freedom, death, and your purpose in life. This powerful book will help you discover a life of love. It will forever change your awareness of yourself--as immortal Soul.

This is one of his best works and one that I will return to again and again.

Rita says

Seek nothing but God for God is no-thing and when we seek no-thing, we are seeking God. Haha.
The simplicity of this book is in the depth. It gets one thinking. The answer really is inside of us isn't it?
A lovely book to carry around and open from time to time for reflection, upliftment, and spiritual inspiration.

Narges Farshidi says

this book is amazing
you will find some incredible points, if you read it with love and with your hearth.
full of key points which will be used in the spritual way

Diane says

This is a book that you read and keep reading - you do this to deal with life!
Its a good guide for dealing with any problems

Marilie Legrom says

For everybody who wants more in life than just living..

Marie says

For this, there are simply no words.
