The Horror at Chiller House R.L. Stine

All the kids who brought a souvenir back from HorrorLand thought they were getting a free gift. They thought wrong. Now Jonathan Chiller has summoned them back to HorrorLand to collect payment. The only way for them to escape this terror is by winning a sinister scavenger hunt. Will they make it out of HorrorLand alive?

Naomi says

Remember when we were little and RL Stine's books were the scariest thing alive?

This story is an excellent trip down memory lane, I remember being in 5th grade and having a RL Stine book club! Stine is truly the master of Children's "Horror" 5/5 stars from me!

Sumanth says

it is an awesome book but if u have to read this u will have to read at least 4 to 5 other editions of goosebumps horror land books because this is the last edition and all the edition children come here according to their story and adventure u wont understand anything. First we have to read the other books.

Calvin Ramelan says

I really, really enjoyed this book. I read most of the books that led up ti this, and I was so happy to see all of my favourite characters return. Probably one of the best Goosebumps books I've read so far. This has become my go to book whenever I need a dose of goosebumps. Awesome story and I loved how R.L. Stine made a couple of books leading up to it.

Connor says

You have to really pay attention to the beginning because later on, they do alot of the same stuff...

Manan Manwani says

Brilliant.....vervy suspenceful story!.....A must read

Zid Lou says

An incredible work of fiction, full of twists, turns and horror. I wished the book never ended, for I have never read a book so gripping. Good work, R. L. Stine!

The Horror At Chiller House

Alexandra says

surprisingly really fucking deep for a goosebumps book. this was published in 2011. in the 90's goosebumps books though, there was rarely ever a backstory. shit just hit the fan and that was that. you never knew why people or creatures were the way that they were. I love my classic goosebumps to pieces but I definitely enjoy a good backstory.

Jonathan chiller grew up with a mother who wanted him to do nothing but study and kept him isolated from other kids his age, and a father who was an angry brute. it was actually really sad, especially the 'scenes' where he was playing in his room by himself with his little sad clown doll and he told the clown that they would play together because "that's what friends do."

the backstory gave a lot more depth to what I thought was going to be a mindless, fun read. it helped you understand who mr. chiller was and how he came to be the way he was, making this probably less scary for kids. in fact, it was more of a psychological character study than a 'horror' novel.

Ryan Chen says

Chiller invited 6 kid to pay back their price that they have to pay. So chiller set up a game that if they find a red chest with a little horror it bring them home. But their will be hunter that using REAL bow to kill them. But they found out there no horror in the chest chiller is trying to kill them.

ENRIQUE D says

I think it was really good and that Chiller is lonely and he made costumes his friends. The kids did find out how to go back home.

Patcharaporn Siangjen says

This is book was very interesting and fun. It started of with a backstory of the bad guy in the book so that will make me know what the bad guy is like. There are a lot of twists in the book that I was not expecting to happen which really makes the book entertaining.

Harrison Evans says

So freaky

James says

A troubled child now an evil master mind. Can you beat Chiller at his own game

Linda says

What a good book! I think this book was a good wrap up to the Horrorland series. I think he made it so that you couldnt put it down.

What another good horrorland story by one of the great, RL stine!

Wonderful.

I only reccomend it to the people that read 1,2,3,4,5,6,7,8,9,10,11,12,13,14,15,16,17,18
ya, so READ THE SERIES

Dylan says

Good closing to the Horrorland series! Now it's time for Halls of Horrors! Oh the attachments to the characters!
