In her first ever boxed set, bestselling cookbook author and Food Network star Ina Garten, the Barefoot Contessa, unites her initial three titles in one beautiful package.

Here are the books that started it all for Ina Garten, who turned a passion for food into a successful specialty food store in the Hamptons and is now beloved by millions for her Barefoot Contessa television show and cookbooks. *The Barefoot Contessa Cookbook*, Ina's first book, has all of the fabulous, easy recipes that won Ina a loyal following at her retail shop, including Perfect Roast Chicken, French Potato Salad, and those irresistible Coconut Cupcakes. In *Barefoot Contessa Parties!* Ina shares her very best menus, divided by season, for fuss-free yet gorgeous entertaining, from a summer garden lunch for eight to an intimate fireside dinner for two. *Barefoot Contessa Family Style* is full of crowd-pleasers you'll make again and again, like roasted asparagus showered with freshly grated Parmesan and a French toast made with challah and just the right amount of grated orange zest and pure vanilla extract to make it sing.

Together, these three titles form a timeless collection perfect for every home cook, whether accomplished or amateur, and for every occasion, whether a weeknight dinner with family or a larger, more festive gathering. With stunning photography and Ina's helpful tips, this boxed set makes the perfect gift for those who love to cook.
