Got it as a gift, really enjoy it. Very nuggety. It does contain inspirational thoughts.

Julie Seamons says

I have loved reading this book from year to year. A daily reminder of what the Savior has done for me. He has a way with words.

Nikki says

This book was not as great as it could have been. Many of the devotions were obviously from Max Lucado's books and had larger points to them which made this book really choppy. I would definitely recommend reading Max Lucado's books instead of this devotional book because the actual books are so much better.

I enjoyed the daily mini devotions that also spark an urge to read the passages more in depth later, and it's small compact size allowed for easy traveling.

This started my mornings with reminders that I needed, every day this last year.

I love the way Max Lucado has with words. He has a great gift from God. I felt the Holy Spirit following me each day as I picked it up to read. Thank you.

Mark Uncommon Valor says

The humble heart honors others.

Is not Jesus our example ? Content to be a carpenter. Happy to be mistaken for the gardener. He served his followers by washing their feet. He serves us by doing the same.

Each morning He gifts us with beauty. Each Sunday He calls us to His table. Each moment He dwells in our hearts. And does He not speak of the day when He as " the Master will dress Himself to serve and tell the servants to sit at the table, and He will serve them " (Luke 12:37)?

If Jesus is so willing to honor us, can we not do the same for others ? Make people a priority. Accept your part in this plan. Be quick to share the applause. And, most of all, regard others as more important than yourself.

Love does. For love "does not boast, it is not proud." (I Corinthians 13:4)

Reading again this year. I like to read devotionals in the morning, hoping to set a positive tone for the day. I like Max Lucado's devotions - easy to read and meaningful.

Rosalyn says

A beautiful devotional that applies to daily life very well. It's short and sweet and gives me strength when I need it most. I love this book and give to friends as a gift sometimes. I highly recommend it for those who aren't really devoted to devotionals, you can read them very quickly and dwell on their simple messages throughout the day.

Kingsley Layton says

Helpful and devotional.
