Heart of Fire Kat Martin

Revisit book two in Kat Martin's fan-favorite Heart trilogy! As a viscount's daughter, vivacious Coralee Whitmore is perfectly placed to write about London's elite in the outspoken ladies' gazette, Heart to Heart. But beneath her fashionable exterior beats the heart of a serious journalist. So when her sister's death is dismissed as suicide, Corrie vows to uncover the truth, suspecting the notorious Earl of Tremaine was Laurel's lover and the father of her illegitimate child. Corrie infiltrates Castle Tremaine posing as a wide-eyed country relation whose charming figure—and reduced circumstances—make her irresistible to the confirmed scoundrel. But Corrie finds the earl is not all he seems...nor is she immune to his charms, however much she despises his caddish ways. Far from a society column, Corrie's life soon reads more like one of Mr. Dickens's serials. But the danger of her ruse is hardly fictional: someone is bent on ensuring Corrie's questions go unanswered—and unasked.

I can recommend Martin's other books, notably Fanning the Flame, however, I just HATED the hero of this one. HATE. The heroine wasn't a whole lot better, but she was plucky and enterprising and entirely wasted on hero. Once a hero needs to resort to aphrodisiacs to woo his lady love, the bloom is off the rose for me :)

I was surprised how much i like the storyline, i thought it would be like a much of other books but it was better than most basic romance books. Coralee was a decent female character but i did not like Gray very much. He was not a man i could like or want. but i want say anything more because it would be a spoiler

Keeps you on your toes wondering who the killer is highly recommend ??

definitely a page turner.. can't get enough of it. loving the necklace trilogy of Kat Martin.. the flow of the story is fast for the first part.. but it somehow slowed in nearing the ending.

she brought out the characters of the heroin and the hero of the story... went well all through out!

Lover of Romance says

Corrie, after her sisters death, is devastated, especially when they were so close. However Corrie strongly suspects that her sister was married and suspects its because her sister became pregnant, and the father didn't want the responsibility. So she goes to the Earl of Tremaine, posing as a distant cousin through a marriage, to uncover the truth. So posing at the Castle Tremaine as a young widow, which makes her desirable to Gray, and soon enough the desire between them explodes into a inflaming passion that bothers with their good sense, and both of their quests to seek the truth secretly about each other. But when they choose to open their hearts, they will find a powerful love that will see them through the upcoming danger that threatens both of their lives...Heart of Fire is the second installment in the Heart Trilogy by Kat Martin. Now this is the first chance I have had to read from this author, and I after such a enjoyable time I had reading Heart of Fire, I have decided to definitely try out the rest of her books. I had heard good and bad things about Martin's books, but the blurb and the cover got me hooked, and after reading the first chapter, I knew I would fall in love with this story and not regretting reading it, and I was right!!! It was such a delight to read, for one I love mystery mixed with sizzling romance, so it was a perfect mixture of what I truly enjoy in a good book. The characters were refreshing and lively, and were portrayed so vividly, its like I know that as real people LOL Crazy I know, but when I get into a good book, that tends to happen frequently. Such a enjoyable read!! I am definitely looking forward to reading

Fangirl Musings says

Well, it wasn't too terrible. Actually, up until the very, very end I was fairly sure I'd love the book. There were numerous story-point changes, from Coralee pretending to be Letty Moss (Gray's supposed cousin's wife left abandoned and destitute) and moving in, to the two becoming spouses to save Corrie from scandal to the subplot involving Corrie's dead sisters whose death was suspicious. Overall, the book was very explosive, with a lot of intrigue and emotional rollercoasters between Gray and Corrie, but sadly, the primary bummer came- ONCE AGAIN!!!!- at the end. Within three pages, Martin reveals the Rebecca (Gray's sister-in-law) arranged to have Gray killed rather than his first wife, was behind the murder of Corrie's sister and child, was carrying her husband's brother, Jason's, baby rather than Charles's, is shot in the neck, that Charles' infant is still alive, and that Charles and Jason are right as rain after all this...

While I don't mind for a lot of dramatic points to be combined into just a few pages, what bothers me is when the author doesn't reveal seemingly accurate character reactions. During this dinner party where everything goes crazy, everyone- practically EVERYONE- is calm as can be. There are no overly shocking reactions...it all just seemed too...blase.

I won't say I hated the book because of this bad, BAD aspect, I did enjoy it enough to consider maintaining Kat Martin as an author to read. Not a favorite book, but definatly not a waste of time.

THANK GOD Heart of Honor was just a fluke!

Heart of Fire was wonderfully Kat Martin! The storyline was predictable, of course, but yet I was surprised in the end! I like that, I really, really like that! The passion between Coralee and Gray was unmistakable from the first meet.

I am just giddy with this book!!!! lol

Sandra Rodriguez says

Loved it! I loved Coralee and how she seemed to deal with the murder of her sister. Disappointed how easily the Earl found out her secret but still a good read.

Elis Madison says

I liked this one better than the first in the series. Very little of the fantasy island, and the mystery was awesome. I thought I had it figured out most of the way thru the book--turns out I was only half right, and then there was another twist that came as a surprise as well. Very nice!

Manuela says

Niente di speciale. La storia ci sarebbe, i personaggi pure, ma è lo svolgimento e la narrazione che mancano di mordente.

Tutto viene descritto in maniera corretta, scorrevole e mai noiosa, ma manca l'emozione, come se tutto fosse vissuto con distacco dall'autrice. E così anche un personaggio maschile dalle grandi potenzialità come Gray perde tutto il suo fascino in una caratterizzazione a tratti superficiale e scontata, e non serve l'attesa per la soluzione del giallo per risollevare la situazione.

Ho trovato, poi, francamente quasi ridicola la scena finale della resa dei conti tra tutti i protagonisti, quando tutti confessano tutto in maniera inverosimile e fuori luogo.

Un'autrice, che, vista l'attesa, mi ha deluso con questi primi due capitoli della saga Heart.

This was a very good book and narration by Beverly Crick. (audible review)

I really enjoyed it a lot. I liked Coralee, she was smart, beautiful and had spunk. I liked the Earl too. They had some good chemistry together and made a great match. I did enjoy this book more than the first one and am glad I moved on with the series.

The story line and plot was good. I really liked how she infiltrated his home and did some spying. There was a good mystery here and a couple twists and turns that made this story even more exciting. There was a lot of great dialogue throughout the entire book. I was easy to follow along and flowed very well.

As for the narration, it was great. Beverly Crick gets better and better. She does a great job on the men's voices and does accents very well. Everyone gets their own distinct voice and she reads with emotion.

I am moving on to the third book in this series.

Abandoned at 20%. I couldn't get into this one; I didn't particularly care for the heroine.

Ihre Schwester ist tot - angeblich soll sie sich und ihr uneheliches Kind in einem Fluß ertränkt haben. Doch Coralee Whitmore glaubt nicht daran und will den Ruf ihrer Schwester retten. Als Tochter eines Viscount gehört sie zum britischen Hochadel doch glücklicherweise hat ihr Vater ihr bisher mehr Freiheiten gelassen als einer Lady eigentlich zusteht. Coralee schreibt als Journalistin Artikel für die Zeitung ihrer besten Freundin Krista und weiß daher, wie man recherchiert. Ihre Schwester hat das letzte Jahr zurückgezogen auf dem Land bei Tanten gelebt und niemand wusste, dass sie ein Kind zur Welt gebracht hat. Coralee beginnt Nachforschungen anzustellen über ihre Schwester und erfährt so, dass sie mit den Bewohnern von Tremaine Castle Kontakt hatte. Dort wohnt der verwitwete Earl zusammen mit seinem Bruder und dessen Ehefrau. Coralee gibt sich als entfernte Verwandte aus um sich im Schloß einzuquartieren und vor Ort Nachforschungen anzustellen. Als sie herausfindet, dass die verstorbene Ehefrau von Gray ebenfalls ertrunken sein soll, rückt er auf ihrer Liste der Verdächtigen nach ganz oben. Doch schon bald fühlt sich Coralee zu dem Earl hingezogen und auch er findet den Rotschopf mehr als interessant.

Spannender zweiter Teil, der durch den vermeintlichen Selbstmord sehr gut aufgebaut war. Auch hier hatte ich wieder die Historical Gold Ausgabe vom Cora Verlag und nicht das Buch von Mira, daher auch der abweichende Titel. Dieses Buch hat mir besser gefallen. Es war flüssig und witzig geschrieben und ich fand Coralee und Gray sehr sympathisch. Man erfährt auch am Rande wie es mit Leif und Krista weiterging und beide haben auch hier sporadische Gastauftritte. Lustig, wie Coralee als angeheiratete mittellose Cousine ausgibt und die Wortgefechte, die sie sich mit Gray liefert. Daumen hoch für eine unterhaltsame Story und sympathische Hauptfiguren!

Mal sehen wie es im letzten Teil mit Thor weitergeht.

Πήρασε ο καιρός και έχουμε επιτλους στα χέρια μας και στις βιβλιοθήκες μας το δεύτερο μέρος της τριλογίας Απ? Καρδής της λατρεμένης Kat Martin. Η αλήθεια είναι πως μπανοντας στον πειρασμό να το συγκρίνω με το πρώτο μέρος της τριλογίας “Περιφαν? Καρδί?”, η “Φλογερ? Καρδί?” δεν έχει κάτι βασικό. Δεν έχει έναν Λίφ. Θλοντας να εμαι ειλικρινής οφέλω να ομολογώ πως νμιζα πως θα μου λειπε η κόπτερ? του γλ?σσα και η ανεπιτ?δευτη γλ?σσα με την οπο?α αντιμετ?πιζε την συντηρητικ? Αγγλ?α. ?μως ?κανα λ?θος.

Η “Φλογερ? Καρδί?” είναι να καταπληκτικ? μυθιστ?ρημα με ντονη αστυνομικ? χροι?. Η ?δια η ιστορ?α έχει τ?σο ενδιαφ?ρον που συχν? ?πιανα τον εαυτ? μου να αδιαφορε? για τον ερωτικ? πυρ?να του βιβλ?ου.

Η λα?δη Κ?ραλι Γου?τμορ βρ?σκεται αντιμετ?ωπη με την αυτοκτον?α της αδερφ?ς της. Πενθ?ντας αλλ? και αρνο?μενη να κατανο?σει την αποτρ?πια αυτ? πρ?ξη, καταφτ?νει στην ?παυλη του

κ?μη Τρεμ?ιν, προσπαθ?ντας να ανακαλ?ψει ε?ν ε?ναι ο εραστ?ς και δολοφ?νος της αδερφ?ς της. Για να μ?θει ?μως την αλ?θεια μεταμφι?ζεται σε ασ?μαντη φτωχ? συγγεν?, μη μπορ?ντας να προβλ?ψει την ερωτικ? ?λξη αν?μεσα σε εκε?νη και τον ?ντρα που ?χει ως στ?χο να παραδ?σει στη δικαιοσ?νη.

Η π?να της Kat Martin για ακ?μη μια φορ? εντυπωσι?ζει. ?χει τη μοναδικ? ικαν?τητα να σε ταξιδε?ει μ?σα απ? λυρικ?ς περιγραφ?ς τοπ?ων και ερωτικ?ς διαλ?γους. Οι χαρακτ?ρες που χτ?ζει ε?ναι εξαιρετικο?, αλλ? αυτ? τη φορ? η βαρ?τητα που δ?νει στο ψυχογρ?φημα, ?χι μ?νο του πρωταγωνιστικ? ζευγαριου?, αλλ? και των δευτερευ?ντων χαρακτ?ρων ε?ναι αξιοσημε?ωτη. Μοναδικ?ς ερωτικ?ς σκην?ς, απ?λυτη χημε?α και ?να αστυνομικ? μυστ?ριο το οπο?ο κ?νει ακ?μα πιο ενδιαφ?ρον το βιβλ?ο. Προσωπικ? με κ?ρδισε η προσοχ? στις διακυμ?νσεις της σχ?σης του Γκρ?ι και της Κ?λαρι.

Τον Νο?μβριο, περιμ?νουμε με αγων?α απ? τις εκδ?σεις ?ρλεκιν το τελευτα?ο μ?ρος της τριλογ?ας με πρωταγωνιστ? ?ναν ακ?μη Β?κινγκ.
