Gangster's Daughter 2

This is a mess. Not knowing who to trust or their motives. Kardisha is going through it. I really like Mello and his loyalty to Kardisha. Please don't let this child suffer anymore. I hate continuations, hence Three Stars. Definitely recommended.

Blkstorm says

Wow!! Now I don't know who to trust. The plot thickens. There were a few mistakes (typos), Another thing I noticed was when she already had the aha moment about the safe. However, they were still trying to bust it open when she already had the code) again a quick read and I've read two parts in one night. That's kind of disappointing when the next 2 installments are higher than 1 & 2.

Tina says

Wow WOW

THIS BOOK RIGHT HERE IS THE TRUTH THE WHOLE TRUTH BOY I'M WAITING TO FIND OUT IF THE DAD IS STILL ALIVE I THINK HE IS AND IF HE IS THERE WILL BE HELL TO PAY

Tonia says

Gangster 2

Kadisha & Mellow now know who set her family up. They are both Seeking revenge. It's sad to learn that someone her whole family trusted helped set them up.

Tyler Moore says

Action packed

I can't wait to read the next book in the series. It was very intriguing and exciting to read in my opinion.

Darcell Beddingfield clayton says

Kadisha

Sorry about your family revenge especially when it's served cold. Get what's yours. I need more from you and your girls

marissa dure says

Hmmmm....

It was a great plot and story but the editing was horrible. The words weren't spaced and I was confused.

Taz Will says

This was hot! They really went in on this one. G was silly in the head for the stuff he was doing. Rah-Rah was just as silly coming thru the way he did. Kadisha stepped up to the plate and held her own but the ending is a whole other story. Have to see what happens with this book in the next one hate that they so short though.

Treasure Malian says

Wayyyyy too short. Nonetheless it was good. Pretty fast paced and the non stop action kept me interested. I really hope things for K start looking up in part. She keep finding herself in one messed up situation after another. I like Mellow for and hopes that work out as well.

Cynthia Jarrett says

It just keeps getting better. On to book 3.

Shoulanda August says

Wow I can't wait until the next one!

She finally found out who tried to kill her family and for money. It is the root of all evil and we know the devil is alive. I was caught up in all the twists, turns, and drama. I can't wait for the next installment of her story

LoveLee Kourage says

LOVED IT BEEN WAITING FOR TO LONG NOW I GOT TO WAIT ON PART 3 ONLY REASON FOR 4 STARS THE ENDING...

Denise Gilliam says

This book started right where part one left off. Kadisha would do anything to find her daddy. You have to respect her gangsta for trying to find out what happened to her family and why they where targeted. Great story of family and how far you will go to find out the truth. Leo Sullivan you did a great job 5 star banger.

Charlotte Coats says

Gangster' Daughter 2

The closest Person to you, you can't trust....In this game called Life, You don't know who you can trust.... Kadisha, was weeks away from going off to college, When her world as she knew it was turned upside down.... What should been One of her biggest nights of her life , Prom night is a night she won't forget , turned out to be a Nightmare

Wilki J says

Not being able to trust has hardened Kadisha in the worse way. With her first taste of revenge, she begins to think and act like a real gangster's daughter. But when suspects hit too close to home, she must play her cards just right.

Rating: 3.5

As with the first, I enjoyed the storyline which was filled with drama and fast-paced but there were some errors in terms of grammar and inconsistencies.

*May contain a minor spoiler in example given below:

There are a few inconsistencies..for example.....one minute Kadisha said the dude who shot her 'tried to rape' her and then in other scenes, its, 'he raped her'. Also Mellow's claim of his first body being Black..then all of a sudden in book 2 he claims taking lives in some other instances before killing Black. I am a stickler for accurate timelines;it must be on point from one book to the next.
