### **Becky says**

My two year old daughter, who wears her tutu everywhere, LOVES this book. It's been two weeks in a row we've checked it out from the library. It's a cute read, but I think it's fun because my daughter enjoys it so much. In other words, that makes me bias.

---

### **Ashley Hunter says**

This was my memorable book because I danced when I was a child and I loved the color pink and her tutu was pink. My parents would read this book to me all the time and I never got tired of hearing the story.

---

### **Wanda says**

terrific book, beautiful illustrations

---

### **Marisela says**

I love it, my girls (4 and 2) love it as well. The watercolor illustrations are very sweet and detailed, realistic but simple at the same time. Little Tilly loves to dance, and when she gets a tutu for her birthday, she wears it everywhere! To the zoo, to school, the pool, the train, even in the rain. Until one day, something happens at the playground, and Tilly is surprised by her mother in the most delightful way.

---

### **Willow says**

My favorite part was when they were on the hayride and she jumped and danced and sang and they went to ballet class and all the other girls in class were kind of upset.

---

### **Tiffany says**

My younger daughter (2) LOVES this book. It's an adorable rhyming book that tells the story of a little girl who gets a tutu for her birthday and never wants to take it off. Our copy is tattered from reading and re-reading.

---

## **Sarah Herman says**

This book is about a young aspiring ballerina named Tilly. Tilly was given a tutu, and much like the title suggests - she wears it everywhere! However, one day Tilly gets a tear in her tutu and she is forced to finally take it off. When Tilly got a new tutu she was enrolled in her new ballet class where she learned a proper place for a tutu. This book was my absolute favorite book growing up. I loved the story because as a little girl it was so relatable, and one day if I have a daughter I would love to give her this book with a tutu. I think this book would be great to use in a younger classroom because it would be great to use before a show and tell day to help inspire kids on what they would want to show. It also is a great example of inspiring children to follow their dreams.

Lewis, W., & Vanroyen, M. (1996). *I wear my tutu everywhere!* New York: Grosset & Dunlap.

## **Stacy Natal says**

My little ballerina read this story over and over and over when she was little.
