## From Reader Review Pete's Dragon (Little Golden Book) for online ebook

### Barb Bailey says

My son loved this book as a 3 year old child. So much so that I painted the Dragon on an inside wall of his walk in closet.....yes about 5 feet tall. It served 2 purposes.....he enjoyed it...and he believed the magical dragon would protect him should anything scary like bats or snakes come into his room.

### Tanya says

I love the original story but The little golden book has paul in a hospital.... huh?!?

---

### P.S. Winn says

This is a wonderful story that takes the readers imagination to a new level, great for parents to read aloud as a bedtime story.

---

### Jade says

Disney classics with adorable drawings and homely stories that I still love to this day. I'm so grateful my mum bought me a bumper collection of books when I was a little nipper!

---

### Joy says

This is a book/tape version of the Disney movie *Pete's Dragon*. It includes the songs "Bop Bop Bophop Bop (I Love You Too)" and "I Saw a Dragon."

Elliot the dragon adopts a boy named Pete, an orphan. No one believes in Elliot because he's invisible.

Awalnya mengira seperti kisah how to train your dragon, ternyata bedaaaa. Kisah Pete yang bertemu naga hijau yang dia beri nama Elliot ini beneran bikin saya trenyuh, alih alih sampai mewek. Haha. Ini buku anak anak yang cukup membuat saya terkesan. Kisahnya yang simple tapi ngasih anak anak sebagai pembaca untuk selalu berani menghadapi segala ujian dan cobaan. Aih, kok saya jadi ikutan baper. hihhi. Pokoknya, rekomended tenan.

nb. kisah ini mirip sejenis dengan kisah film good dinosaur yang berakhir bahagia #ups #spoiler

**Amber says**

A sweet little retelling of the movie. It tells the story of where Elliot disappeared off to for a little while in the movie and how he found Paul. The real bummer is that Dr. Terminus and Hoagy are missing. I love those guys! Greedy as they are.

I was obsessed with this book as a kid. I wanted my very own invisible dragon-friend! I'm hoping to introduce this book to my niece & nephew when they're old enough to read - hopefully they'll love it as much as I did!
