## Heaven Is a Breath Away: An Unexpected Journey to Heaven and Back: An Unexpected Journey to Heaven and Back Valerie Paters , Cheryl Schuelke , John Leon Rusk (Foreword)

When a massive pileup on an Arizona highway caused Valerie Paters and her Jeep to be entombed beneath a semi truck in a blinding snowstorm, it seemed certain that her life would soon end. Once extracted from the mangled metal, and suffering from massive injuries, Valerie was hospitalized and placed on life support while doctors waited to harvest her organs. But Valerie was more alive than she had ever been. As she stood in the radiant presence of Jesus, He wrapped her into Himself, assuring her of His love and of the promise that heaven is only a breath away.

*Heaven Is a Breath Away* is a thrilling firsthand account of the home that awaits Christians when they draw their last breath here on earth. With open arms, Christ welcomes to heaven those who belong to Him. Rarely has this vision been told in such exquisite detail. It will undoubtedly comfort those who have lost loved ones or are near death themselves. *Heaven Is a Breath Away* gives hope and encourages faith by sharing the heaven Jesus promised—a real place, magnificent in scope and beauty, permeated with iridescence, and alive with divine energy and love.

### **Susie Q says**

I love reading (or listening) to stories about Heaven and what people have gone through to be able to tell their stories. Heaven is a Breath Away is a beautiful story of one woman's journey after being in a horrific car accident. Her description of Jesus and of Heaven was so heartwarming. Valerie Paters and Cheryl Schuelke did an amazing job writing the story, and Amanda Fugate-Moss did a beautiful job narrating. I was given a copy of this audio book from the author, publisher or narrator in exchange for an honest review.

### **Ann Mock says**

Such a beautifully told story of Valerie's journey to Heaven and back. I was so enthralled with all of the descriptions and feelings that Valerie has as she journeys to Heaven after her car accident. You will feel blessed after listening to such a caring and thoughtful account of an amazing journey.

### **Teressa says**

I listened to the Audible version of this book.

"A Moving and Inspirational Journey"

Heaven is a Breath Away was a truly inspirational listen. Valerie is a strong woman whose faith never really wavered. Through her painful surgeries as a child as well as being treated differently, she maintained her belief that Jesus was there for her.

He never left but he was there when she needed him the most. At times it was hard to listen to the struggles Valerie went through but I found myself rooting for her as she slowly came back from the other side. I liked listening to her encounter with Jesus while there. I believe her story 100% and have heard where others have experienced this. This was such an enlightening listen.

Amanda Fugate-Moss did an amazing job with Valerie's story. It seemed like it was her speaking. She was the perfect reader with excellent vocal skills.

Audiobook received in exchange for an honest review.

### **Tracy says**

I really enjoyed her description of Jesus and how He expressed His love for her. When she visited heaven,

she was overwhelmed by the depth of Jesus' love for her. Here is my favorite quote from Valerie's part of the book. "Physically, I was still a mess. Every square inch of me screamed in pain. But, Jesus loved me. He really loved me. Knowing that overwhelmed all else. When finally I could whisper something, all I wanted to say was 'Jesus loves me. He really loves me.'" (page 103-104)
